Entire United States Figure Skating Team Among 73 Killed When Huge Jet Air Liner Crashes, Bursts Into Flames

By FRED CHEVAL

BRUSSELS, Belgium (AP)—Fifty-four Americans, including the entire U.S. figure skating team, perished today in the flaming crash of a Sabena Belgian Airlines jet. In all, the crash of the American-built Boeing 707 brought death to 73 persons.

Disaster struck at 10:05 a.m. as the \$5-million plane, its engines suddenly sounding odd, sought a landing in bright sunshine after a flight from New York.

The huge plane slammed to earth beside a woods three miles north of Brussels International Airport and went up in flames fed by fuel oil as the tanks exploded one by one.

FARMER IS KILLED

All 61 passengers and the crew of 11 died. A Belgian farmer tilling his cabbage patch was struck and killed.

Mrs. Maribel Vinson Owen, 49, of Winchester, Mass., nine times the U.S. figure skating champion, was killed along with two daughters who were members of the current team. The girls were Laurence Owen, 16, and Maribel Owen, 20. Mrs. Owen last weekend had seen Laurence win the North American championships at Philadelphia.

Mrs. Owen and Coach Deane McMinn of Lomita, Calif., were accompanying the 18-member U.S. team to world figure skating championships in Prague, Czechoslovakia.

FIFTH GROUP KILLED

The team is the fifth major sports group wiped out by plane crashes in a dozen years, including soccer teams of Italy, Britain and Denmark. Sixteen members of the California Poly football team were killed in the crash of a chartered plane last Oct. 29 at Toledo, Ohio.

The Boeing crashed in a small pond and started burning almost at once. Fire engines previously alerted because of its erratic be-

FRANKFURT, Germany

(AP)—A spokesman for the organizing committee of the world figure skating championships said today the event has not been canceled despite the death of U. S. competitors in the Brussels plane crash.

The spokesman said in a telephone call from Prague that reports distributed by the East German news agency ADN that the competitions have been called off "are not true."

However final decision on the competition now rests with the International Skating Union with headquarters in Switzerland.

The president of the ISU, Dr. James Koch, said earlier he favored calling off the event.

havior screamed toward the scene, but arrived only in time to check the spread of fire.

"There were no survivors," a fire officer said.

BODIES ARE CHARRED

Charred bodies were removed to a temporary morgue at the airport. A Belgian farm laborer lost a leg and was hospitalized.

In addition to the two Owen girls, the members of the U.S. skating team were Steffi Westerland, Gregory Kelley and Bill and Laurie Hickox, all of Colorado Springs, Colo.; Bradley Lord and Dudley Richards of Boston; Donna Lee Carrier, Diane Sherbloom and Roger Campbell of Los Angeles; Rhodie Michelson, Long Beach, Calif.; Douglas Ramsay, Detroit; Ray and Ila Rae Hadley, Seattle; Larry Pierce, Indianapolis, and Bob and Pat Dineen, New York.

Debris from the terribly twisted Boeing was scattered for several hundred yards.

FLIGHT FROM U. S.

The nightmare evolved from Sabena's Flight 548 from New York, piloted by Cmdr. Louis Lambrecht. Residents of the seacoast village of Berg figured something might be wrong when the airliner sped over them for its approach to the airport. The engine roar changed oddly and the flight pattern looked erratic.

The plane circled the field a time or two. It lowered the undercarriage, retracted it, turned again and fell.

"Suddenly the plane fell in a

Rioters Recess U. N. Meeting

UNITED NATIONS, N. Y. (AP) — Wild disorders broke out in the public gallery of the U. N. Security Council today as U. S. Ambassador Adlai E. Stevenson blasted the Soviet Union for allegedly trying to wreck the United Nations.

It was the worst demonstration in the history of the U. N. Council President Sir Patrick Dean of Britain recessed the meeting while guards cleared the gallery.

About ten Negro men, wearing hats and overcoats, burst through the back door of the public gallery. They rushed down the aisles shouting "Vive Lumumba."

TO PLAN FOR DEDICATION OF NEW HOME

Plans for a meeting between representatives of the Adams County Home Auxiliary and the advisory committee of the county home to make plans for the dedication program and open house in connection with the opening of the new home were outlined Tuesday afternoon at a meeting of the County Home Auxiliary at the home.

The president, Rev. W. C. Kams, Littlestown, appointed Mrs. Paul Reday, Seven Stars, and Mrs. Edna Kuhn, Cashtown, to serve as the committee representing the auxiliary which will meet with Mrs. John Rice and Rev. Nevin Frantz of the advisory committee in the near future to draw up the plans for the program to be held probably in April when the new county home is expected to be completed. The program will probably be held prior to the moving of the guests from their present quarters in the old home to the new structure.

Mrs. Mark Stock and Mrs. Ward Eason were appointed to check the present hymnals at the county home and to arrange for purchase of additional hymnals in order to have enough for contemplated services in the chapel in the new county home. A donation of \$25 has been made to the auxiliary for purchase of hymnals for the new chapel.

ORDER PIANO

Mrs. Stock and Mrs. Eason announced they have ordered a piano for the new chapel in accord with instructions given at a prior meeting of the auxiliary.

Mrs. Ira Henderson reported, as chairman of activities in the

St. James Women Will Meet Friday

Two numbers by a clarinet quartet from Gettysburg High School will feature the program to be presented at the quarterly general meeting of the Women of St. James Lutheran Church Friday evening at 7:30 o'clock in the church dining room. Members of the quartet are Joe Woods, Jean Kime, Dorothy Durban and Eileen Zeigler.

The Rev. Francis Reinberger of the Lutheran Seminary faculty will be the speaker.

Mrs. K. O. Deardorff and Mrs. J. Luther Wisler are planning the program. The devotion period will be conducted by members of the Esther Circle, Mrs. Henry M. Krick, leader. Members of the Mary Circle, Mrs. John W. Schartz, leader, and the Priscilla Circle, Mrs. Herbert Zepp, leader, will be hostesses.

NONE HURT IN CRASH

Damage totaled \$275 but no one was reported injured when two cars collided two miles south of Hanover at 5:10 o'clock Tuesday night.

State police said cars operated by Claude L. Forner, 61, Hanover R. 2, and Blanche Bezold, 42, Westminster R. 4, collided at the Fairview Ave. intersection when, according to police, Forner stopped for a stop sign, then drove his car into the intersection into the path of the other auto.

PROMOTED AT SCHOOL

James A. Musselman, son of Mr. and Mrs. Peter C. Musselman, of 108 Main St., Fairfield, has been promoted to operations and training officer of the Florida Southern College ROTC Battle Group with the rank of cadet major, Lakeland, Fla. He is a senior captain of the college soccer team and a member of Kappa Sigma fraternity. His application for a regular commission has been accepted by the U.S. Army.

Ask For Bids For New Gardners P. O.

The Post Office Department has asked for bids for the construction of a new post office at Gardners to be rented on a month-to-month basis for five years with two five-year renewal options. The space requirements are 1,200 square feet.

The building will be constructed in accordance with plans prepared by the department on a site the location of which will be approved by the department.

JUDGE LAUDS FIREMEN AT ANNUAL EVENT

"I hope I never live to see the day when we do not have volunteer fire companies in Adams County," Judge W. C. Sheely told 300 gathered Tuesday evening for the annual Valentine Day Ladies' night banquet of the Gettysburg Fire Department. The dinner was held at the Moose lodge, York St.

"At many meetings one attends one has to watch oneself to be sure of making no mistakes. But there is a different feeling about the volunteer firemen. Here we have people working together to do the best they can for their community. There is a common meeting ground, a sharing of experience. Tonight we have with us Benton Gilbert, a fireman for 55 years, and other firemen who have been with the company for a half century or more. It is a wonderful thing to look back over so many meetings, so many fires, such a tremendous fund of experience and realize that in our fire companies we can benefit from such experience. Only the volunteer fire companies seem to have that continuity."

VALUE OF EXPERIENCE

"Today people are retiring earlier and we are losing much valuable experience as a result. The new problems coming up are often the same ones the retired persons met 20 or 30 years ago and coped with successfully. "In our large law schools they are retiring men at 55. One advantage flowing from that is that the smaller law schools can then obtain these men who still have ten years or more of good service to give."

"Politically we seem to forget that there is much to be gained from experience. We have three ex-Presidents of the United States and seven ex-governors of Pennsylvania."

"We are so divided politically that it would seem unthinkable

New Bermudian School In Use

After securing final state approvals, the new \$125,000 Bermudian Springs High School was being pressed into use this afternoon as 515 pupils from East Berlin and York Springs were taken to the new building by bus, carrying their books and other supplies.

Supervising Principal Amos D. Meyers said the new building will go into use on regular schedule Thursday morning. The cafeteria will serve student lunches there Thursday noon for the first time. The students ate today at East Berlin and York Springs.

Quarters which have been used in the two towns for the high school pupils will be occupied by grade school pupils which have been crowding their classrooms and awaiting the day when the new building could be used.

Ground for the new high school was broken early in November, 1959.

U.S. Defends Secretary Of UN, Warns Reds Against Efforts To Ruin Operation

By DENNIS NEED

LONDON (AP)—Western alarm mounted today as Communist support for Patrice Lumumba's political heirs in the Congo raised the fearful specter of a Korean-like war in the heart of Africa.

Banner newspapers headlines across Western Europe showed the concern at the Soviet Union's offer of "all possible assistance and support" to the Lumumbist government of Antoine Gizenga, controlling a large part of the northern Congo from headquarters in Stanleyville.

Fears were openly expressed that the U.N. attempt to prevent civil war in the Congo would collapse, that the Soviet Union and its Communist allies would supply Gizenga's forces, and that the United States and its allies would have to bulwark the Leopoldville government of President Joseph Kasavubu and Maj. Gen. Joseph Mobutu or see the vast territory go to the Communists by default.

Stevenson Says Reds Declare War On UN And Peace

U. S. Ambassador Adlai E. Stevenson today denounced a Soviet resolution as a "declaration of war on the United Nations and on the principle of international action on behalf of peace."

The U. S. delegate urged the U. N. Security Council to rally its strength to turn back what he called efforts to destroy the U. N. operations in the Congo. Stevenson addressed the Council in a crisis atmosphere brought to an unusual intensity by the slaying of deposed Congo Premier Patrice Lumumba. Diplomats acknowledge that not only the fate of the U. N. Congo operation was at stake, but perhaps the fate of the United Nations itself.

'63 COSTUMES WILL BE MADE BY AREA CLUBS

Members of home economics clubs of the area will make costumes for the pageant to be held here April 22 marking the departure of the Independent Blues, first unit to leave Adams County for the Union Army in the Civil War. Mrs. Roy W. Gifford told the Adams County Civil War Centennial Commission at its meeting Tuesday evening at the court house.

Mrs. Gifford said she has been informed that many of those who will make the costumes will also appear as participants in the pageant scheduled from 1 to 3 o'clock on the afternoon of April 22.

Material has already been secured for the costumes, Mrs. Gifford said, and patterns for the dresses are expected to arrive early next week. Arrangements for the home economics clubs, participation is being made through Mrs. Helen Tunison, county extension home economist, Mrs. Gifford said.

TWO-HOUR PAGEANT

She also reported further plans for the pageant which will reenact events in Gettysburg during the period when the Blues, made up of men from throughout the county, were sworn into service, attended a church service and departed for Civil War duty.

W. Clayton Jester, chairman of the commission, announced that a speakers' bureau has been formed and speakers will be available during April and May for all service clubs or other groups wishing a speaker on the county's participation in the Civil War.

Chester Shriver reported on the activities of the National Civil War Centennial Commission. Arthur Weaner was appointed to make arrangements for permits in connection with the April 22 program.

CALLED TO BLAZE

The Gettysburg Fire Company was called to extinguish a gas stove fire at the residence of Howard H. Baker, on the Table Rock Rd. this morning. There was no damage, firemen said.

BREAK WINDOW

Borough police reported today that someone threw a beer bottle through a plate glass window at the Dorothy Wright Beauty Shop at South and S. Washington Sts. The investigation is continued.

FILE FOR LICENSE

Dale Leroy Reeve, Spring Grove R. 1, and Nancy Ellen Spangler, Abbotstown R. 1, have filed application for a marriage license in York.

Five candidates were initiated and Mrs. Marcella Harpster was named as the representative to the Women's Civic Council at a regular meeting of the Women of the Moose Tuesday evening at the Moose home on York St. Senior Regent Kathryn Davies presided and Hospital Chapter Night was observed.

The five candidates for initiation were Hazel Laver, Mary Leppo, Emma Strausbaugh, Mary D. Haner and Mildred Barnes. The organization voted \$5 to the Adams County Council of Community Services and the same amount to the Adams County Child Welfare Services.

It was announced that a Star Records' Day program will be held Sunday, March 19, at the local Moose home. Rosetta Johnson, star recorder here, will be chairman. It was announced also that a membership drive in the local chapter will be launched in about two weeks.

Arlene Myers won the door prize while the chapter night and good of the chapter awards were won by Elizabeth Hartlaub. Refreshments were served after the meeting. The next public card party will be held this evening at 8 o'clock.

LENTEN PRAYER FOR TODAY

from Go With God

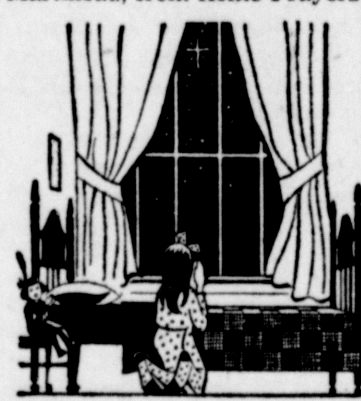

BY JIM BISHOP

On Ash Wednesday

James Martineau (1805—1900), Unitarian theologian and brother of Harriet Martineau, was an inspiring English preacher and teacher. He was also author of many influential philosophical works. Here is his prayer for the first day of the Christian Lent.

O GOD, our everlasting hope, who holdest us in life, and orderest our lot; we ask not for any prosperity that would tempt us to forget Thee. As disciples of One who had not where to lay His head, may we freely welcome the toils and sufferings of our humanity, and seek only strength to glorify the cross Thou layest on us. Every work of our hand may we do unto Thee; in every trouble, trace some lights of Thine; and let no blessing fall on dry and thoughtless hearts. Redeeming the time, may we fill every waking hour with faithful duty and well-ordered affections, as the sacrifice which Thou hast provided. Strip us, O Lord, of every proud thought; fill us with patient tenderness for others, seeing that we also are in the same case before Thee; and make us ready to help, and quick to forgive. And then, fix every grace, compose every fear, by a steady trust in Thine eternal realities, behind the changes of time and delusions of men. Thou are our Rock: we rest on Thee. Amen.

Aero Oil Signs 10-Yr. Pact With "Phillips 66"

Aero Oil Co. has signed a 10-year contract with Phillips Petroleum Co. At the same time Aero announced it has terminated a 15-year relationship as a south central Pennsylvania distributor for Atlantic Refining Co., effective March 31.

Aero's refusal to "sell out to Atlantic . . . forced a break in this 15-year relationship," the company president, M. D. DeTar, said Tuesday, adding that Aero is Atlantic's "largest account."

After consultation "with many of our customers, stockholders, employees, dealers and friends . . . I was quite elated to find the sentiment virtually unanimous against the sale of our company," DeTar said.

As a result of the twin-moves by Aero, the New Oxford-headquartered independent company will become the first distributor of Phillips Petroleum products in Pennsylvania.

8TH LARGEST FIRM

Phillips, the eighth largest oil company in the United States, is now launched on an expansion program into the Middle Atlantic and New England states.

The "Phillips 66" trademark is now in 38 states, including Ohio to the west of Pennsylvania and Virginia to the south.

"More than 85 per cent of Atlantic products are marketed by independent distributors" such as Aero, DeTar said, adding that the Phillips Co., founded in 1817, is "one of the fastest-growing companies in the country."

LOOM WOMEN INITIATE FIVE

Five candidates were initiated and Mrs. Marcella Harpster was named as the representative to the Women's Civic Council at a regular meeting of the Women of the Moose Tuesday evening at the Moose home on York St. Senior Regent Kathryn Davies presided and Hospital Chapter Night was observed.

The five candidates for initiation were Hazel Laver, Mary Leppo, Emma Strausbaugh, Mary D. Haner and Mildred Barnes. The organization voted \$5 to the Adams County Council of Community Services and the same amount to the Adams County Child Welfare Services.

It was announced that a Star Records' Day program will be held Sunday, March 19, at the local Moose home. Rosetta Johnson, star recorder here, will be chairman. It was announced also that a membership drive in the local chapter will be launched in about two weeks.

Arlene Myers won the door prize while the chapter night and good of the chapter awards were won by Elizabeth Hartlaub. Refreshments were served after the meeting. The next public card party will be held this evening at 8 o'clock.

Tell Society How Coins Are Minted

How commemorative coins are designed and minted was explained Tuesday evening at a meeting of the Gettysburg Numismatic Society at the West St. Bank.

Duane Eicholtz, Minnesota artist who is establishing a studio in this area, and Norman Annis, of the Gettysburg College faculty, outlined the steps by which it is determined that a commemorative coin will be minted, how artists submit designs and finally one is chosen and how dies are made to make the coin.

Following the talks an auction was conducted by Steve Ruddle, Washington D. C. Six new members were admitted bringing membership in the organization to 70. President George Olinger presided.

HEAR REPORTS ON SHOW, TALK BY MELIGAKES

The Exchange Club at its Tuesday evening dinner meeting in the Lamp Post Tea Room heard Builders' Show committee reports, and heard Nick Meligakes tell of his early boyhood days in Greece, and how he started business in Gettysburg. President Crosby Hartzel presided with 23 members attending.

Chairman Robert Ziegler of the prize committee for the show reported that nearly all the prizes have been purchased and will be displayed in the window of the Fiberglass Awning Company Store, Baltimore St.

Al Sterner, ticket committee chairman, said that only \$200 worth of tickets had been turned over to the finance chairman and these sales were made by three men. He urged the members to "start pushing" the drive, since the show is one month away.

ALL BOOTHS SOLD

Ernest Simpson said the booths have all been sold, except one, and arrangements are being made to send out contracts after the dimensions of the booths are ported that "about half of the signs have been sold."

Attorney John McPhail addressed the Gettysburg High School student body in an assembly Tuesday morning in connection with crime prevention week. Merville Zinn of the Exchange Club was in charge of the program.

One banner for the builders' show will be placed across Carlisle St. at the Hotel Gettysburg.

ON DEAN'S LIST

Miss Laura Martin, Fairfield, a junior at Buffon College, Ohio, and James Roth, Orrtanna, a freshman at the same school, won places on the dean's list for the first semester, according to an announcement by the college. To qualify a student must have made no grades below a B and have at least one-third of his marks A's.

SCOUTERS TO MEET

The commissioners of the Black Walnut Boy Scout District will meet this evening at 8 o'clock at the engine house, E. Middle St. Basic instructions will be given on charter renewals. Details will also be announced for a drive to interest youths in attendance at Philmont.

TWO DRIVERS ARE CONVICTED IN COURT HERE

Two men were found guilty by Adams County juries Tuesday afternoon.

Foreman Jay D. Johnson handed up the guilty verdict in the driving during suspension case against Harry J. Mummert, Abbotstown R. 1, at 2:10 o'clock.

At 3:45 p.m. Foreman James H. Brinton reported a guilty verdict in the trial of Samuel D. Weaver, Hanover, charged with driving while under the influence.

Trial began Tuesday afternoon in the charge of contributing to the delinquency of minors brought against Roosevelt Hylton, 104 S. Queen St., Littlestown. The jury will receive the case for decision early this afternoon. The case involves purchase of wine by Hylton and the drinking of the wine by two youths in Hylton's apartment. The youths claim Hylton purchased the wine for them and that they paid for it. Hylton denied purchase of the wine for them and testified the boys drank without his knowledge wine he had purchased for his own use.

BURGLARY CASE NEXT

Trial is scheduled to start this afternoon in the burglary and larceny case against Charles and Melvin Gladfelter and Gary Riley, all of Hanover. The case is the last one scheduled for the current jury term and the members with the exception of those assigned to the last case and those hearing the Hylton case were excused this morning and received their pay from the treasurer.

Robert R. Wallen, Gettysburg R. 5, scheduled previously for trial, was reported by the district attorney today to have entered

33 FAIRFIELD LIONS GUESTS AT CASHTOWN

Thirty-three members of the Fairfield Lions Club were guests of the Cashtown Lions Tuesday evening at a "Fellowship Night" held at the Cashtown Community Hall.

President Stanley Sharras welcomed the Fairfield Lions as the sponsoring organization which founded the Cashtown group. The Fairfield Lions invited the Cashtown group to join them March 21 at the Chalet at Dillsburg for a program marking the 15th anniversary of the Fairfield Lions.

Rev. Alfred Gotwalt, pastor of the Mt. Carmel EUB Church, speaker at Tuesday's session, termed February "the month of greatness because it marks the birthday of the two greatest of Americans, Washington and Lincoln."

PLAN MAY AUCTION

He told the Lions: "Back of every man there is some motivating power. The man who does the talking and doing is not always the one who is the most important in the community. Most times it is the man in the background."

He also said: "Somehow our fellowship is slipping. We need God in our country and in the rest of the world."

Plans were announced for a public auction to be held by the Cashtown Lions May 5 at 6 p.m. at the Cashtown Community Hall. May 6 was set as the rain date. The public is invited to place articles for auction with a percentage of the price brought going to the Lions. Persons wishing to enter articles in the auction are asked to notify Jacob Bream, McKnightstown.

A guest of the Fairfield Lions Club at Tuesday's meeting was Carl Frogner.

GROWERS TO MEET

A tomato growers meeting will be held next Tuesday at 8 p.m. in the basement of the Arents-ville National Bank, Adams County Farm Agent Frank S. Zettle announced today. Thomas E. Piper, area marketing agent, will discuss "What Can We Expect From Markets?"; J. O. Pepper and Carlton Taylor, both from Penn State University, will discuss "Controlling Our Insect and Disease Problems," and James Dutt, also of Penn State, will discuss "The Tom

REPORTS ON "TREATS"
During the last month, Mrs. Henderson said, Mr. and Mrs. Herbert Sell visited the home and distributed a treat provided by the Junior Woman's Club of Littlestown. Fruit was provided by the Maude Miller Bible Class of St. James Lutheran Church and by the Women's Society of Christian Service. Brownie Troop 73 presented favors for Valentine's Day and Girl Scout Troop 55 presented favors for Lincoln's birthday. Zion United Church of Christ of Arendtsville provided 18 glasses of jelly. Mrs. William Clapsdale donated angel food cake for the women's building.

Mrs. Edna Kuhn announced plans for a rummage sale March 11 at the GAR home, E. Middle St. Those wishing to donate articles are asked to bring them to the GAR home the evening of March 10.

Files Report For Straban Township

A total of \$100,068 was paid in taxes by Straban Twp. residents in 1960, according to the annual report filed by Collector Donald P. Rhodes, New Oxford, with Clerk of the Courts Kenneth Johns today.

The report showed \$9,037 collected for the township at a cost of \$382; \$76,266 for the school district at a cost of \$3,045; \$10,172 for the county at a cost of \$429 and \$4,582 for the institution district at a cost of \$166. Of these costs, \$3,697 was for the collector's salary.

The tax rate was six mills for the township plus \$1 per capita tax; 46 mills for the school district plus \$14 per capita; 11 mills for the county and three and one-half for the institution district.

Littlestown Car In \$500 Collision

No one was injured in a two-car collision which resulted in an estimated \$500 damage Monday at 2:40 p.m. at Frederick St. and Centennial Ave., Hanover police reported.

Police said an automobile operated by Raymond E. Bowers, 38, Taneytown R. 2, was traveling north on Centennial Ave. When Bowers attempted to cross the intersection on a green traffic light his vehicle was in collision with another car operated by Claude S. Reichart, 68, 149 Cemetery St., Littlestown.

Police said Reichart was traveling east on Frederick St. in a funeral procession. Damage was estimated at \$200 to Reichart's car and \$300 to the Bowers vehicle.

COUNTY MEET TUESDAY

A county-wide meeting on crops and soils will be held Tuesday at 10 a.m. in the West St. bank, Adams County Agent Frank S. Zettle announced today. J. O. Pepper, extension insect specialist from Penn State University, will speak on "Controlling Insects on Your Hay Crops and Livestock"; Zettle will present "What Makes a Successful Farmer," and Burton Horne, extension engineer, will talk on "What's New in Hay Marketing Equipment."

PONDER VOTING MACHINES HERE

The Adams County commissioners this morning were told how automatic voting machines operate. They are considering installing them in the larger voting districts of the county.

Both county political chairmen at a recent meeting with the commissioners suggested such a plan. The commissioners have been considering dividing some districts such as the Third Ward of Gettysburg and Straban and Franklin Twp. in which they feel it is difficult to hand, the number of voters with one election board. A New York voting machine company representative said it has been found in various communities that the savings effected by fewer election boards pays for the cost of voting machine installation in ten years.

Also before the commissioners this morning was a problem concerning a bridge between Union and Conewago Twp. The span was replaced by another bridge, but Union Twp. officials told the commissioners that residents of the area still wish to use the old bridge. Union supervisors asked the commissioners for advice on how to proceed.

Local Man Faces Maryland Charges

An accident in which Robert Swope, 17, Clark Place, Md., suffered a ruptured spleen occurred Saturday at 11:15 a.m. when a 1953 Pontiac operated by Daniel Hemler, 17, Gettysburg, approached the crest of a hill on a curve on U. S. 15 two miles south of Thurmont.

Hemler lost control of the auto which skidded sideways across the center line of the road and was struck broadside by a 1954 Ford driven north by Mrs. Mildred Willis, 36, of Arlington, Va.

Swope was admitted to Frederick Memorial Hospital where Mrs. Willis was treated for deep lacerations of the legs and facial cuts. She was released after treatment. Swope was a passenger in the Hemler car.

Trooper E. F. Tracey reported \$800 damage to both cars in the accident. He charged Hemler with reckless driving and failure to keep to the right of the road.

Evening Mass At Catholic Church

More Than 60 Pigs Are Lost In Blaze

A fire from an undetermined origin broke out in the upper part of a wooden frame structure at 5:15 a.m. today at the E. C. Lerew residence at the intersection of Rts. 15 and 94, York Springs, destroying the building. Between 67 and 70 small pigs and five large hogs were lost.

The fire was discovered by James Feathers about 5 a.m. and he drove through the town blowing his car horn to alert the residents. Firemen, who rushed to the scene, were able to prevent the blaze from spreading to the main barn which was about 20 feet from the shed.

Fire Chief Harry Mumper, who became ill later this morning and had to be attended by a doctor, was unable to give an immediate estimate of the loss.

series of spins," an airport official said. "It literally disintegrated."

There was a tremendous explosion.

MANY SEE DISASTER
On a Liege-Brussels express train skirting the airport many passengers saw the disaster. Said one:

"The plane appeared to be making a normal approach to land when, on nearing the ground, it suddenly reared up pointing almost vertically, nose up into the sky. Then it fell back like a giant stone and we heard an explosion."

From her home near the crash scene, Mrs. M. Croon said the plane was "making much more noise and was much lower than they usually are."

Francois de Kleermaeker, a coal merchant, said it dropped "just like in wartime when planes fall after being hit."

Viscountess Pierre de Biolley was on her doorstep.

MADE UNUSUAL NOISE

"The plane was making an unusual noise," she said. "It was flying extremely low. I saw it balancing in the sky then, as it flew over a small nearby wood, it seemed to recover power and pointed upwards and then it suddenly fell. It looked as if the pilot had made a desperate effort not to hit the houses."

An airport official said clothes were burned off passengers in the forward cabin.

"It all took place at a terrifying speed," he said. "We saw the crash coming, it looked as if the plane's controls had been lost completely."

MELTS LIKE BUTTER

A state policeman said he saw pieces of aluminum melting like butter.

Amid the mud and mire lay plane fragments, an engine half buried, twisted pieces of pipes and cables, arms and legs protruding from the tangled mass.

The control tower commander said the plane had been in touch with the tower but shortly before the crash "we lost contact."

"The plane circled two or three times normally as a Caravelle jet was just taking off," he said. "All seemed all right then suddenly we realized something was going wrong. There were no more contacts. The plane appeared out of control. It fell like a bomb."

IDENTIFICATION DIFFICULT

Boeing, the plane's builders, said this was the first 707 crash involving passenger fatalities among 12.12 million passengers carried.

Sabena Belgian Airlines, owned by the government, is one of several European lines that operate American-spliced jets.

A Sabena spokesman said positive identification of the bodies would be difficult.

Officials found the plane's flight recorder instrument and took charge of its tape.

The airport commander said it might take six months to establish the cause of the crash.

Fairfield Grad Elected Teacher

School closing dates for Mercersburg area school were shoved back two weeks Monday night as directors of the James Buchanan Joint School System studied plans to make up the nine days lost due to snowstorm closings this winter.

Barring further snow closings, the last day of school in the Mercersburg area system will be Thursday, June 8. A closing date of Thursday, May 25, had been envisioned in the original school calendar.

In other action the board hired Albert J. Shulley, Charming, as a high school science teacher, approved three new cafeteria workers, accepted the resignation of two cafeteria workers and three teachers. Shulley's salary was fixed at \$3,600 annually.

Shulley, a January graduate of Shippensburg State College with a Bachelor of Science degree in General Science, was graduated from Fairfield High School. He did his practice teaching last semester in Waynesboro Junior High School.

Emmitsburg Car In Crash Monday

At 3 p.m. Monday on the Old Frederick Road, approximately one and one-half miles south of Emmitsburg, Trooper E. F. Tracey investigated a collision blamed on winter road condition.

Thomas Fogle, 26, Emmitsburg, was driving south and Mrs. Mildred Crum, 48, of Walkersville, was driving north. They met on a small rise where the road is narrowed by snow piled high on both sides.

Mrs. Crum applied her brakes but was unable to keep her car from skidding into the path of the other machine, Maryland state police said. Mrs. Crum was slightly dazed as result of the collision that followed but did not require hospital treatment. Her car was damaged to the extent of about \$450. Fogle's machine had about \$250 damage.

TWO CUBS GET WEBELOS AT ANNUAL DINNER

Two Cub Scouts received their Webelos award, Cubbing's highest honor, and six boys joined Cub Pack 84 and received their Bobcat pins at the annual Blue and Gold Dinner held on Monday evening in the all purpose of Rolling Acres Elementary school. Twenty-seven boys, four of whom graduated to Boy Scouts in October, 1960, received their 50th anniversary achievement awards, an award which may be worn on the uniform all through Scout-ing years.

Monday evening's activities began with the flag salute, led by den chief and Eagle Scout Ronald Ruggles. Grace before meals was said by the Rev. Dr. John E. Metz, pastor of St. Aloysius Catholic Church. A fried chicken, covered dish supper was enjoyed, with ice cream and orange beverage being provided by the pack.

The six boys entering Cub Scouts, who received their Bobcat pins, which were pinned on by their parents, were Steven C. Arter, Terry James Hall, Robert Reinaman Jr., Barry Myers, Gregory Myers and Terry Shinham. Cubmaster Alvah Stonessifer made the presentation of awards, with assistant Cubmaster Stewart N. Long as aide.

BADGES AWARDED

Cub Wolf badges were presented to Charles R. Pittenturf, Chris Renner, Donald Morgret, Brian Myers, Jeffrey Rohrbach, Donald Staub Jr., Kevin Zumbur, Jon Little, Baron Sentz and Randy Miller. Wolf Gold arrows went to Chris Renner, James Beard, Donald Morgret, Brian Myers, Jeffrey Rohrbach, Donald Staub Jr., Kevin Zumbur, Baron Sentz and Randy Miller and Wolf silver arrow to Jeffrey Rohrbach.

Bear badges were received by Gary Lee Bancroft, Jay Beamer, Robert T. Kress Jr., James Pittenturf, Stephen Snyder and Edward Lee Strevig. Bear Gold arrows went to Stephen Snyder, Steven Snyder and Gary Wolf and Bear silver arrows to Eugene T. Bittle, John Bowman and Bruce Hoffman and Robert Ritter.

Lion badges were awarded to Eugene R. Adams, Richard Appler, Richard Bense, Robert Harmon, Larry Hull, Walter Mehring, William E. Snyder, Robin Weaver and Terry Wolf.

TO ENTER TROOP

Lion Gold arrows were received by Larry Hull, Walter Mehring and Robin Weaver and Lion silver arrows by Walter Mehring, Dennis Musselman (two), Steven Redding, Douglas A. Ruggles (two), and Robin Weaver.

The Webelos awards were presented to Carl Gentzler and to Terry Wolf by Robert Hahn, who is Webelos den leader. The two boys also received their graduation certificates and were accepted for membership in Boy Scout Troop 84 by Assistant Scoutmaster John R. Ruchisall.

Members of the pack who will form the next Webelos Den were presented with their Boy Scout handbooks; they are Larry Hull, Steven Redding, Douglas Ruggles, William Snyder, Robin Weaver, Eugene Adams, Walter Mehring and Dennis Musselman.

PINS FOR MOTHERS

Den mothers entering the pack who received their den mothers pins are Mrs. Jeanne Bowers, Mrs. Helen Gregg and Mrs. Louise Myers. Den mothers leaving the pack, who were awarded the den mothers' certificate of appreciation and were also presented with a planter were Mrs. Nadine Adams, Mrs. Doris Snyder, Mrs. Dorothy Ruggles and Mrs. Mary Bentzel. The latter is being transferred to the Two Taverns Cub Scout unit. Other den mothers presently serving the pack are Mrs. John Harmon, Mrs. Denton Barnhart, Mrs. William Waltz, Mrs. Junior T. Bittle, Mrs. Earl Zumbur, Mrs. E. Renner, Mrs. Robert Morgret, Mrs. Reid Pittenturf, Mrs. Harry Weisel and Mrs. Margaret Bowman.

Den chief cords were presented to Gary Long and Robert Altoff. Fiftieth anniversary achievement awards for which five requirements had to be completed were earned by Douglas Ruggles, Robin Weaver, Robert Ritter, Robert Collins, John Bowman, Walter Mehring, Richard Bense, Robert Harmon, William Sheely, Edward Strevig, James Pittenturf, Gary Bancroft, Robert Kress, John Roser, Jay Evans, Dennis Runk, Eugene Bittle, Bruce Hoffman, Larry Hull, Steven Snyder, William Snyder, Carl Gentzler, Steven Redding and former Cubs Gerard Altoff, Kenneth Myers, Ray Miller and James Rohrbach.

"YOUR LOVE EYES"

Be still, my darling, seal your lips . . . mere words cannot compare . . . to what your eyes are saying . . . they speak a silent prayer . . . they tell a tender story . . . of love divine and true . . . such is the narrative I hear . . . when I look at you . . . it's like a trip to paradise . . . to search your angel eyes . . . they beam with understanding . . . and make me realize . . . that life is so worth living . . . and precious all the way . . . yes, it is truly wonderful . . . the things your eyes convey . . . so let me gaze into them . . . throughout the coming years . . . and I will do my best to keep . . . your love eyes, free of tears.

Hornberger, Amos Jones II, Ronald Koonitz, John Maitland, Randy Miller, Randy Morgret, Michael Redding, Richard Thomas, Barry Myers, Gregory Myers, Terry Shinham.

Two-year pins went to Jay Beamer, Richard Bense, Eugene Bittle, John Bowman, Wayne Bowman, Robert Collins, Jay Evans, Robert Harmon, Bruce Hoffman, Larry Hull, John Roser, Robert Ritter, Dennis Runk, Stephen Snyder, Steven Snyder, Robin Weaver, David Weisel and Gary Wolf.

Three-year pins were awarded the two graduates Carl Gentzler and Terry Wolf. Assistant Cubmaster Stewart N. Long, who has served the pack for more than five years as Cubmaster and as assistant, is retiring from official duty and he was presented with a token of appreciation by American Legion's institutional representative, Beaven F. Hanlon, with appropriate remarks.

Cubmaster Long presented Cubmaster Stonessifer with his Cubmaster's pin. The Cubmaster introduced representatives from the various local organizations who were invited guests as follows: L. Robert Snyder, Rotary; Clayton L. Evans, Lions; Robert V. Weaver, Junior Chamber of Commerce; Mrs. Luther W. Ritter, Woman's Community Club; Mrs. John Harmon Jr., Junior Woman's Club; Mrs. Richard D. Thomas, Eta Tau Chapter of Beta Sigma Sorority; Harold Bancroft, F. O. E.; Beaven F. Hanlon, American Legion; Leslie Shinham, Chamber of Commerce; Walter Mehring, VFW; Howard Myers, Alpha Fire Company; Burgess Elmer G. Miller and the Rev. William R. Jones, ministerial association.

The Cubmaster announced that the next event on the pack calendar will be a roller skating party at Rainbow Rink, near Taneytown, on Saturday, March 18.

SOAP BOX DERBY

Cubs and their families are invited to attend, leaving from the rear of the fire engine house at 1:15 p.m. Ten cents for insurance is required for each Cub and all persons attending may be insured for the same amount. There will be no admission but there will be a charge for shoe skates.

The tentative date of August 5 was set for a soap box derby. Requirements for vehicles include four wheels, steering with a steering wheel, and wheels no more than ten inches in diameter. There will be a race among members of each den and den winners will compete in a trophy race for an award. There will also be a fund raising project for Cub Scout Pack 84 at the American Legion's Better Homes and Gardens Show on April 6, 7 and 8.

The Cubmaster issued an appeal for additional den mothers and also for a volunteer to serve as assistant Cubmaster. Interested persons should contact Cubmaster Stonessifer.

SEE MAGICIAN

Stanley C. Rogers, Black Walnut field executive, spoke briefly, congratulating the pack upon receiving a prize in the district for their window display, which may be seen in the show window of the local telephone office on South Queen St. He also expressed the hope that local citizenry would respond to the current Scout finance drive. Warren C. Harner and Albert J. Bair head the local campaign.

Ray-Mond, the magician, West-minster, presented a half hour entertainment of feats of magic. A number of Cubs and Boy Scouts assisted him on stage. Benediction was pronounced by the Rev. William R. Jones, pastor of Centenary Methodist Church. More than 250 Cubs, parents and guests attended the annual Blue and Gold dinner.

STOCKS CHURN

NEW YORK (AP)—Steels, motors and aircraft-missiles rose as a churning stock market moved ahead on balance in heavy trading early this afternoon.

The Associated Press average of 60 stocks at noon was up .50 at 234.00 with industrials up 1.40, rails up .10 and utilities down .10. Gains of fractions to about a point among key stocks outnumbered losers. A few stocks took sharp losses.

Greek fire, a mixture of petroleum with various chemicals, was used by Constantinople to maintain naval power in the Mediterranean for centuries.

FILE MENALLEN TWP. REPORT FOR LAST YEAR

A cash balance of \$6,719 was reported at the start of 1961 by Auditors Donald Garretson, John Gochenauer and Frederic E. Griest of Menallen Twp. in the annual report filed today with Clerk of the Court Kenneth Johns. The township began 1960 with \$7,274. The state fund had a balance of \$47.

Receipts were \$11,906 from taxes and \$3,146 from miscellaneous sources, plus \$12,356 in state aid. The township received \$2,534 from the county.

for a Democrat administrator to call upon a former Republican official or vice versa, but don't lose a great deal by this? And don't we gain much when we can, as the volunteer firemen do, sit down together, both the present administration and the past ones, and share experience together?"

Master of Ceremonies William G. Weaver introduced four firemen who have a half century or more membership in the organization. They were Benton Gilbert, 35 years a fireman; Bert Hummer, who became a fireman in 1909; Rufus Bushman and Charles W. Culp Jr. who became firemen in 1911. Other veteran firemen introduced included Eugene Shriver, who joined the department in 1912, and Andrew Florence who became a member in 1915.

Among others introduced were Mrs. Edward Rinehart, daughter of the late James B. Aumen who for many years headed the Gettysburg Fire Department, and Mrs. Tyson Tipton and Mrs. Guyon Buehler, widow and daughter of the late Tyson Tipton who served as chief of the local firemen for many years.

GUESTS INTRODUCED

Also introduced were the officers of the fire department, headed by President E. Glenn Raffensperger; the officers of the auxiliary, headed by the president, Mrs. Martin Crabill, and the officers of the Moose lodge headed by Governor John W. Sanders.

Special guests of the firemen were Burgess and Mrs. Wilbur Plank, and the members of borough council, Paul L. Roy, editor of The Gettysburg Times, was introduced as an honorary member of the fire department.

Robert Neary and Donald Myers were co-chairmen of the committee for the banquet. A floor show and dance were held following the dinner.

INSURANCE COMPANY IS 110 YEARS OLD

The Protection Mutual Fire Insurance Company of Littlestown is observing its 110th anniversary today. The to incorporate the company under that name was signed by John Pepna, speaker of the House of Representatives, and Benjamin Matthias, speaker of the Senate, on February 15, 1851.

FIRST CLAIM \$17.50

The first policy of the company was issued to George Basehoar, for the property near Basehoar's Mills. The first loss recorded was that of Abraham Sell, Union Twp., when damage by fire partially destroyed his log house. The amount of the claim paid was \$17.50. The company was authorized to pay Matthew Burgis \$10 for venturing his life to extinguish the fire which otherwise would have completely destroyed the house.

On March 3, 1860, the treasurer was authorized to pay William Bange \$5 a year to keep the fire engine in good working order. It is believed this was the first apparatus used by the bucket brigade, known as the Juniors. The minutes record that on January, 1867, the Protection Mutual Fire Insurance Company resolved to join the town council in procuring a fire engine and erecting a building for same. In February, 1879, the company appropriated \$75 toward the purchase of a fire engine.

In September, 1896, a severe storm resulted in the payment of almost 200 claims for storm damage.

LIST OF SECRETARIES

The first secretary, William McSherry, was succeeded by Simon S. Bishop, W. Frank Crouse who was first chief burgess of Littlestown, Charles H. Mayers, L. Robert Crouse, Frank S. Creager and Robert H. Thomas who has held the office since 1946.

The charter was restated in 1950, giving the company the privilege of writing multiple line insurance. Within this provision the company adopted extended coverage and in 1959, to further protect policyholders additional extended coverage was added, to include direct loss caused by accidental leakage or overflow of plumbing.

Dauphin, Perry, Franklin Counties in Pennsylvania and down into Maryland almost to Baltimore," DeTar said.

The company, which in 1959 sold more than 54 million gallons of gasoline, will become the "second largest account with Phillips in this country," according to DeTar.

Aero owns or operates approximately 65 stations throughout the area it serves, DeTar said, adding that a company expansion program is now underway and will continue.

Atlantic owns about 26 stations in the Adams and York County area, he said.

TELLS OF RUPTURE

Detailing the rupture between Aero and Atlantic, DeTar said "five years ago Atlantic proposed a 10-year contract with an option to purchase Aero. We rejected this offer."

"We then proposed that we go along for five more years, with the understanding that we both would give careful consideration to Aero's status after March 31, 1961. On September 13, 1960, we advised Atlantic that we were ready to negotiate at any time."

"During all discussions, Atlantic firmly indicated its desire to purchase Aero at once or to include a purchase option if another contract was agreed upon . . . sentiment (was) virtually unanimous against the sale of our company," DeTar said.

LEGION PLANS SHOW IN APRIL

Future activities of Ocker-Snyder Post No. 321, American Legion, were discussed at the first February meeting at the post home, E. King St. Chaplain James W. Fager opened the meeting with prayer and Commander Beaven F. Hanlon presided. Reports were heard from Stewart N. Long, adjutant, and Earl L. Stites, finance officer.

Elmer W. M. Duterra, general chairman for the Better Homes and Gardens Show, announced that letters have been sent to all show exhibitors and replies received to reserve space for the 1961 show. The Better Homes Show will be held this year on April 6, 7 and 8 at Bankert's Restaurant and Recreation Center, N. Queen St.

The date for the annual birthday banquet and program has been changed from March 16 to Tuesday, March 14, at 6:30 p.m. in the Kingsdale Fire Hall, near town. The guest speaker for the occasion will be Daniel Shaub, department adjutant. Legionnaires, auxiliary members and guests are invited to attend.

The post voted \$5 to the Red Cross. There will be a meeting of the ambulance committee, the ambulance drivers and the three local physicians on Thursday at 9 p.m. at the post home for the purpose of discussing how to handle ambulance calls when the dial telephone system goes into effect in the community next month. Dinner will precede the Legionnaires, next meeting on Thursday, February 23, at 6:30 p.m. at the post home.

Due to the weather conditions, the chicken and oyster supper scheduled for February 25 at St. James United Church of Christ, along the Harney Rd., has been postponed to Saturday, April 8, at 3:30 p.m.

Prayer meeting will be held Thursday evening at 7:30 o'clock at the Bethel Assembly of God Fish and Game Rd.

The postponed meeting of the Littlestown Fish and Game Association will be held this evening at the Fish and Game clubhouse, near town. A pancake and sausage supper will be served from 6 to 7:30 o'clock by the kitchen committee. The monthly business meeting will follow the meal. Plans will be advanced for the annual spring banquet.

Adopt Program For Directors'

Meeting Here: Announcement
was made today of the complete
program for the forty-fifth an
nual convention of the Adams
county school directors' associa
tion which will be held at the
Gettysburg high school building
next Friday. Details of the pro
gram were completed at a meet
ing of the executive committee
of the association Friday night
in the office of Prof. J. Floyd
Slaybaugh, county superintendent
of schools, in the court house.Copies of the program will be
mailed early next week to the 172
school directors in the county.
Gettysburg's seven school direc
tors are included on the list and
are expected to attend the ses
sions.2 Snow-Laden Roofs Cave-In
Under Pressure: Additional re
ports of damage to property in
the county as a result of Thurs
day's snow and sleet storm
reached Gettysburg today.The six-inch snowfall beaten
down by hours of sleet and rain
rendered unimproved roads in
the county practically impass
able. Even on the main highways
going was heavy until the high
way department plows cleared
the roads.In many places in the county
this afternoon highways were
bare for the first time in weeks,
having been freed from their
coating of ice by the higher tem
peratures of the past two days.Dr. W. E. Tilberg, Toastmas
ter, Scout Dinner: Dr. W. E. Til
berg, dean of Gettysburg college,
and president of the York-Adams
area of Boy Scouts, was the
toastmaster at a banquet in the
Hotel Yorktown, York, Thurs
day evening in observance of the
26th anniversary of the founding
of scouting. "George Washing
ton" was the subject of the prin
cipal address which was deliv
ered by Prof. F. H. Galge, a
member of the faculty of the
state teachers' college at Mil
lersville.Death Claims Miss W. Warren:
Miss Wilda Jane Warren, 47,
daughter of Lincoln L. Warren,
died Friday night at 11:30 o'clock
at her home, Biglerville, R. 2,
of a complication of diseases. She
had been bedfast for the past
five months.Besides her father she is sur
vived by the following brothers
and sisters: Charles Warren,

and Clara Warren, at home.Loyalty Fund Reaches \$2,718:
The Gettysburg college loyalty
fund appeal for \$10,000, which
opened February 6, reveals cash
and pledges amounting to \$2,718,
an approximate increase of one
thousand dollars over last year's
appeal at the end of the first week,
according to an announcement
from the alumni office.The appeal begun last week is
intended to run until June 30 in
an effort to raise \$10,000 to assist
in balancing the college budget
for the 1955-56 academic year.
Last year's goal of \$7,400 was
attained.Sportsmen's Group To Aid
Game Feeding: The Adams
County fish and game associa
tion at its February meeting Fri
day night in the Eagle hotel
voted to give Leo E. Bushman,
county game protector, \$50 to be
used in the purchase of feed for
game in the county, during the
cold spell.The association's action came
after Mr. Bushman had told of
his efforts to distribute food to
the birds and animals in all sec
tions of the county. He stated
that he needed assistance in the
distribution and added that until
bids and contracts could be re
ceived and approved by the state
for the local supplies of feed there

Today's Talk

TO BE KIND

No matter how old the world
ever gets, it can't afford to out
live the simple virtues that have
helped so to make it a happy
place in which to live.Every day people get up in the
morning hungry than ever for
something simple to nourish their
souls.What do I care about this one
with his big sounding name and
titles fore and aft, whose wealth
mounts high and at the sound of
whose name countless numbers
tremble—if he isn't kind?Kindness makes me think of
the sweetness of honey, the frag
rance of the rarest perfume, the
holiness of snow flakes, the
beauty of October, the full mel
lowed notes from the strings of
the harp, that rare day in June
about which Lowell wrote.And yet kindness is above them
all! For it climbs into the heart
and every nook and corner there.
It softens the hardest heart, melt
ing it back into sympathy.When you meet one who is very
kind, you may be sure that you
are in the presence of a kind of
divinity.Shakespeare, I believe it is,
speaks of kindness as like the
gentle rain.And how it falls into people's
hearts to enrich and beautify
them. And how it changes entire
characters.The more important you be
come, the richer you get; the
greater you grow, the kinder you
should become.Kindness is God in you—at
work!Tomorrow Mr. Adams will talk
on the subject: "New Ways To
Live"Protected, 1961, by The George
Matthew Adams Service

Just Folks

NO USE SIGHIN'
No use frettin' when the rain
comes down,
No use grievin' when the gray
clouds frown;
No use sighin' when the wind
blows strong,
No use wallin' when the world's
all wrong.Only thing that a man can do
is work an' wait till the sky gets
blue.No use weepin' when the milk
is spilled,
No use growin' when your hopes
are killed,
No use kickin' when the lightnin'
strikesOr the floods come along an'
wreck your dykes,
Only thing for a man right then
is to grit his teeth an' start again.For it's how life is an' the things
that are
That you've got to face if you
travel far,
An' the storms will come an' the
failures, too,
And plans go wrong 'spite of all
you do,
And the only thing that will help
you win
Is the grit of a man with a stern
set chin.Protected, 1961, by The George

Colts Acquire Joe

Perry From 49ers

BALTIMORE (AP) — Coach
Weeb Ewbank says the addition
of Joe Perry to the Baltimore
Colt backfield has not necessarily
ended his quest for a fullback."Perry may be an answer for
us and he may not," said Ew
bank, still uncertain how Alan
Amech will recover from a leg
injury which sidelined him late
last season.The Colts Tuesday obtained the
34-year-old Perry from the San
Francisco 49ers for an undisclosed
draft choice. Perry is the greatest
ground gainer in National Foot
ball League history but is in the
twilight of his career."Joe will have to show us. He
will start, without favor, in a com
petition with our other candi
dates," Ewbank said.

DOG LOST OVER

FALLS 1 YEAR

AGO IS FOUND

NIAGARA FALLS, Ont. (AP)—
Tosha, a German shepherd dog
given up for dead a year ago after
he plummeted into the Niagara
gorge, has come home.The dog, owned by Charles Till
er, fell into the gorge when he
leaped at a bird. The family gave
up hope, and after a period of
mourning replaced him with Big
Boy.A few days ago a bedraggled
dog arrived at the Tiller home,
and a veterinarian recognized a
scar on his leg. Now the trials of
Tosha have been pieced together.A mystery German shepherd
was reported ranging the isolated
gorge during the summer.Tosha apparently lay uncon
scious after his fall, woke to find
himself alone, and began his soli
tary existence.He lived on small game until
immigration men began to woo
him back to civilization with ham
-burger. A case of dog food was
given to Charles Blair, caretaker
at the Maid of the Mist docks.
Gradually he won the dog's con
fidence, and the rehabilitated To
sha then made his own way home.

Bullets Lace Dickinson 76-40; Frosh Triumph; Juniata Here Thursday

A sharp shooting Gettysburg College basketball team rolled to its 12th win of the season as it walloped Dickinson 76-40 Tuesday night at Carlisle. The Bullets are now 12-6 for the season while the Red Devils are 6-7.

Ron Warner opened the scoring for the Bullets with one minute gone by as he landed a corner jump shot. Warner's former schoolmate, Gen Becker, followed with a lay-up and that was as close as the Red Devils could come to catching Gettysburg. Bruce Simpson rammed through a hook shot and Bob Parker followed with a three-point play after a drive up the middle. Gettysburg led 7-2.

Warner, Gettysburg's 5'10" scoring ace, broke the game wide open as he put the Bullets ahead 14-6 after eight minutes. He scored seven straight points, six coming on three-point plays. Gettysburg held a one-sided 33-16 lead at intermission.

BUILD HUGE LEAD

The Orange and Blue lost little time in the second half as it tallied eight straight points on a pair of tap-ins by John Fleming and two goals by Warner. Gettysburg led 41-16 with 15:35 remaining in the game.

Bob Hulton cleared his bench with 4:30 minutes left in the contest and the reserves turned in a fine performance. George Roberts tallied seven points in the last three minutes. Tom Glodok chipped in with several points and worked well under the boards.

Warner was the game's leading scorer with 29 points, scored on nine of 20 shots from the field and 11 of 13 fouls. Warner also collected 10 rebounds while John Fleming was high with 12. Fleming and Bill Fitzkee each racked up 11 counters. Mike Herman paced the Red Devils with 11 tallies.

John Carpenter's freshman squad had to come from behind in the second half to capture a 53-46 decision in the preliminary contest. After trailing 24-22 at intermission, the Little Bullets came back on the scoring of Don Szedga and Dick Hoffman to capture the lead with less than four minutes remaining and held it until the end.

Szedga topped the Bullet team with 16 tallies while Ralph Butera and Dick Eater registered 12 and 12 points respectively.

The Gettysburg varsity squad will entertain Juniata College Thursday night in the Eddie Plank gym in the lone home game of the week. The freshman team will be idle until Saturday when it travels to York for a clash with York Junior College.

PALMER MOVES INTO 2ND SPOT

DUNEDIN, Fla. (AP) — Gary Player today remained as professional golfer's top money winner, but his position proved to be rapidly eroding under Arnold Palmer's steady game.

Player, a young pro from Johannesburg, South Africa, moved his total earnings up to \$142,000 this week, winning \$800 in the Phoenix Open.

Palmer, of Ligonier, Pa., picked up \$4,300 first money for the Open to move from fourth to second spot in the rankings with \$12,800.

The No. 3 man on the list released by the Professional Golfers Association headquarters at Dunedin, was Ken Venturi of Palo Alto, Calif., with \$9,400. He was tied with Bob Rosburg of Overland Park, Kan.

Getting off to a 16-7 lead in the first period, the Delone Catholic High dribblers led all the way in defeating Lancaster Catholic 62-47 in a second half game of the Central Pennsylvania Catholic League Tuesday evening at Lancaster.

At half time the Squires held a 34-20 margin and easily maintained their advantage throughout the second half.

Don Hartlaub, Ron Riley and Dick Rosensteel provided the bulk of the Delone offense with 17, 13 and 12 points, respectively. Kuba led Lancaster with 17.

The Delone reserves took the preliminary 53-45.

On Friday Shamokin Catholic will play at McSherrystown in another league game.

GRAYBEARDS SET HOT PACE IN GOLF MEET

By WHITNEY MARTIN

Associated Press Sports Writer
DUNEDIN, Fla. (AP) — Graybeards among the Professional Golfers Association seniors have given the young sprouts — those in the 50-54 age group — something to shoot at in the 22nd annual tournament.

The 55-and-over entrants played their first round on the national PGA course Tuesday, and 21 of them shot par or better over the 6,352-yard, par 35-72 layout. The 50-54 division plays its first round today, and will do well to match the oldsters showing, as well as the low score of 67 turned in by unsung George M. Smith of Chicago, a 63-year old veteran of 13 such previous tournaments.

Headed by "freshman" Jimmy Demaret, three times winner of the Masters, the younger field includes such able performers as defending champion Dick Metz of White Plains, N. Y.; Herman Barron, also of White Plains; Jack Isaacs of Langley Field, Va.; Willie Goggin of French Lick, Ind.; Duke Gibson of Kansas City, Mo.; Paul Runyan of La Jolla, Calif.; and Clarence Doser of Gaithersburg Md.

The second half of the game was played under darkened conditions when about half of the lights failed.

Bermudian dropped a 57-56 thriller to James Buchanan at East Berlin after failing on two shots in the last five seconds of the game.

The Eagles led 45-43 going into the last quarter. Hawbaker rammed through six points for Buchanan as his team forged ahead 57-52 with less than a minute to play. Craig Hoke and Tom Hardy hit on shots for Bermudian and then the Eagles secured possession with five seconds but failed twice on shots.

Hardy and Hoke swished 18 and 16 points for Bermudian while Hawbaker landed 22 for Buchanan.

Deacons Upset Wake Forest As Heyman Gets Suspension

Associated Press Sports Writer

The Wake Forest Deacons, unaccountably unpredictable outside the league, are kicking up such a fuss in Atlantic Coast Conference competition that they may wind up the team to beat when the ACC gets down to selecting its representative for the NCAA basketball championships.

The Deacons, with their big-little pair of Len Chappell and Billy Packer in fine fettle, pushed their ACC regular season record to a handsome 10-3 Tuesday night with a 103-89 whipping of third-ranked Duke. A 61.1 shooting percentage, 38 points by the 6-8, 240-pound Chappell, and 25 by the 5-11, 170-pound Packer did the job against the Blue Devils (17-3), who got a jolt earlier in the day when high-scoring soph Art Heyman was suspended by conference commissioner Jim Weaver for his part in a fight in a North Carolina game Feb. 4.

SENTENCE SUSPENDED

The suspension itself was temporarily suspended by the executive committee, freeing Heyman to play—and score 31 points. But Duke, now 9-2 in the ACC race, couldn't manage a reprieve once the Deacons took the lead midway in the first half.

Fifth-ranked Bradley (17-4) went into overtime to edge Notre Dame 84-81 at Chicago Stadium, tenth-ranked West Virginia (19-3) used its zone press effectively again for its ninth straight victory, 80-78 over Penn State; St. Joseph's (Pa) (17-4) made it eight straight, 88-73 over Penn.

Bradley, down 64-59 with three minutes left, fought Notre Dame (10-12) into overtime at 68-61 then handed the Irish their fourth straight loss with Tim Robinson scoring five points, Chet Walker and Mack Herndon four each and Mickey Tiemann three in the extra session. Robinson wound up with 28 points, Herndon 21 and Walker 15.

Backed up Maloney in scoring were Dick Talley with 19, John O'Reilly with 13 and Pfeiffer with 12.

On Saturday the Mountaineers play their final home game of the season when they meet Randolph-Macon, current Southern leaders, at Emmittsburg.

Sub Kenny Ward, filling in for ailing Rod Thorn, hit a jump shot with 5 seconds left for West Virginia's victory—capping a Mountaineer drive from five points behind with four minutes remaining.

Paul Miller scored 22 points and Jim McCormick 18 while West Virginia ace Thorn took the night off to nurse a virus.

Mark DuMars, Penn State's leading scorer, did not start but came in midway in the first half and finished with 21 points. However, Gene Harris was high for Penn State with 24 points. It was Penn State's eighth loss in 17 games.

EAGAN SCORES 20
Jack Egan had 20 points and reserve Tom Wynne 17 for St. Joseph's against Penn after Temple had opened the Palestra double-header by making Bucknell its seventh straight Middle Atlantic Conference victim, 78-66. St. Joseph's and Temple play Saturday for the M-A title, with the winner probably going to the NCAA tournament and the loser to the NIT.

Russ Gordon paced Temple with 28 points.

SAYS U. S. WILL HELP BUSINESS "MODERNIZE"

By SAM DAWSON
AP Business News Analyst
NEW YORK (AP)—The new accent on youth may soon extend from the White House right into the machinery in our factories.
President Kennedy says too much of our industrial equipment is too old. He wants business to speed up the modernization of its plant. He says the government will help.
"The average age of equipment in American factories today is about nine years," the President says. "In a dynamic economy that average should be falling, as new equipment is put into place. Instead, the available evidence suggests that it has been slowly rising."

EYES TAX REFORM

He has renewed his pledge of quickly seeking tax reform to help business update its plants.
The President has still to spell out exactly what tax changes. But business interprets them to be largely in the field of depreciation allowances. Many business spokesmen have deplored present tax policy as holding back building of new plants and buying the latest equipment. This keeps operating costs higher here and helps make American prices higher than those of foreign manufacturers.

President Kennedy agrees that we have fallen behind in the competitive race. He notes that other nations have been lowering the average age of their plants and machinery. He names as an example West Germany, where at least two-fifths of the plant and equipment is under five years of age.

FASTER WRITE-OFF

Other lands allow faster write-off of new investment in tax accounting. Some allow revaluation of assets in recognition of higher replacement costs. This lowers corporate tax payments and gives companies more funds with which to buy new equipment.
The United States has granted fast write-offs for some plants and equipment held essential for national defense. But in the main its policies still hold to a standard which, though varied, averages around 20 years. That is, the life of much machinery is held to be 20 years. Companies spread depreciation allowances over 20 years.

MUST FIND MONEY

They complain that they can't replace the old plant and tools for anything like what they cost—that is, for anything like the total of their depreciation allowances.
To buy new equipment they must find money somewhere—by raising prices to boost profits, by borrowing.
Many insist that this is keeping them from modernizing their plants. This has cut the totals spent on capital goods in the last year, and that has been a factor in the slowdown in general business activity.

There are two tax reforms the

JURIST EASES RULE ON UNION

DETROIT (AP)—U.S. District Judge F. W. Kaess ruled Tuesday that Teamster Union President James R. Hoffa's Local 299 in Detroit and also Local 614 in Pontiac, Mich., do not have to comply with government subpoenas requiring the locals to produce books and records for 1959.

The ruling was believed to be the first of its kind restricting the subpoena power of the U.S. secretary of labor under the Landrum-Griffin labor law enacted by Congress in 1959.

The law requires unions to submit periodic reports to the federal government on their finances and organizing activities.
Local 299, which is headed by Hoffa, and Local 614, contended they submitted such reports in March 1960, for 1959 but that they were subpoenaed in September and ordered to submit all books

President could propose.
SPEED UP DEPRECIATION
One would speed up the time in which a new machine could be depreciated for tax purposes—five years, say instead of 20. This would give companies temporary relief. After the five years the machine would be fully taxable as an asset and its production taxable as income without benefit of allowances. But there would be an incentive to buy still newer equipment.

The other would be to let companies value their present machinery at replacement cost instead of its much lower cost at time of purchase. This would grant a longer-range relief.

"... The subpoenas by themselves are so broad that they constitute a complete seizure unrelated to any recorded, purposeful investigation...."

SAY HEART MAY CRY FOR HELP BEFORE ATTACK

PHILADELPHIA (AP)—Is it possible that before a person suffers a heart attack the organ may send out a cry for help which goes unheard because the sound is inaudible to the physician's stethoscope?

Physicians at Hahnemann Medical College and Hospital believe this is possible. They are conducting experiments along these lines.

The hospital reported today that tests are being made on more than 500 patients with electronic microphones, designed to detect subsonic sounds.

The experiments are being conducted by a team headed by Dr. Daniel Mason and Dr. Joseph F. Uricchio.

The physicians, by applying an ultra-sensitive microphone to the chest wall, have been able to pick up heart sounds in the range and intensity of 1 to 50 cycles per second. Most of these sounds are inaudible to the normal human ear with a stethoscope.

Researchers report the sounds form what appears to be a standard pattern in normally functioning hearts. The pattern varies only with progressive age. Researchers, therefore, have been able to set up normal patterns for age groups.

It is hoped that this method eventually will permit physicians to detect departures from this norm in seemingly healthy individuals whose heart malfunction is hidden or incipient.

MAN FLEEING COPS KILLED

WEST CHESTER, Pa. (AP)—John E. King, 34, of Malvern, was killed Tuesday when a car in which he allegedly was fleeing police overturned along Westtown road, a mile south of here.

King was a passenger in a car operated by Dennis O. Coleman, 26, Berwyn, who was slightly hurt and was held on a charge of manslaughter in King's death.

Police said the chase began at the gun shop of Charles Davis in a shopping center on the outskirts of West Chester. A patrolman, William Mars, investigated a car which roared off as he approached.

Mars said he chased the car at will be present on March 15, and the Rev. Dr. George Sheffer of the New Oxford Lutheran Church is scheduled for March 22. A special "Good Friday" service is planned for March 31.

The ladies of Abbottstown and East Berlin will again cooperate in the World Day of Prayer service to be held in Trinity Lutheran Church, East Berlin, Friday at 7:30.

Pastor's classes for those who desire to know more about the church and the Christian Way of Life, will be held each Sunday morning at 9:15, beginning next Sunday and continuing through Easter.

A youth choir is being formed under the leadership of Mrs. B. B. Smith and Miss Betty Hoff. They will meet in the church parlor Thursday evening at 7:30.

The flowers adorning the altar in St. John Church last Sunday were presented in memory of Larry Wayne Breighner by Mr. and Mrs. Paul Breighner.

A meeting of the committee to prepare the social room for educational purposes will be held Sunday evening at 7:30.

HAVE JOBS FOR SPECIAL SKILLS

PHILADELPHIA (AP)—The State Employment Service reported Tuesday it is unable to provide jobs for hundreds of unemployed crowding its offices here—but, nevertheless, has long lists of job openings.

The reason: Most of the jobs are unskilled workers while the bulk of the positions require special skills.

The employment service said many of the hard-to-fill jobs in a dozen or so categories could be handled by an untrained worker, if he took a little time to learn.

One of these is taxi driving. Cab drivers are in short supply because the job is considered dangerous by many eligible unemployed who cite frequent holdups. Also in demand are needle trade workers for the garment industry.

Mt. Hope

JOY E. METZ
MT. HOPE — Revival services will begin Sunday evening at the EUB Church and will continue through the week. Rev. Alfred Gotwalt, pastor, will deliver the sermons.

Mrs. Allen Currens fell on the ice recently and fractured her arm.

Mr. and Mrs. Luther Lightner and Mrs. Donald Flowers and children, Donna and Larry, Randallstown, Md., spent the past week with the former's mother and sister, Mrs. Effie Lightner and daughter, Leanna.

Mr. and Mrs. Luther Metz visited Sunday with Mrs. Metz's father, William Klunk, who is a patient in St. John's Hospital, Baltimore.

The Ladies' Aid Society of the EUB church held a quilting party at the church hall Tuesday. Those visiting recently at the home of Mr. and Mrs. Allen Currens were Mr. and Mrs. Robert Miller and daughter, Karen, York, and Mr. and Mrs. Carl Yoder and daughter, Judy, and son, Larry, Essex, Md.

Mr. and Mrs. Leon Gelwicks and daughter, Ginger Rae, Baltimore, spent the weekend at the home of Mr. Gelwicks's parents, Mr. and Mrs. R. Sibert Gelwicks, Chambersburg, and Mrs. Gelwicks's father, Roy E. Metz, and family, Virginia Mills.

Mrs. Effie Lightner recently observed her 76th birthday. She was guest at a dinner given at her home by Mr. and Mrs. George Kint, Mrs. Lightner, who has been confined to a wheelchair since May with a broken hip, received many cards and gifts.

BOMBAY, India (AP)—Police in Andhra State reported today 35 persons drowned, including women and children, when a boat carrying Hindu pilgrims capsized.

DACCIA, East Pakistan (AP)—The governor today announced nearly 14,000 persons were killed or swept out to sea during the two hurricanes that hit the coast at the head of the Bay of Bengal last October.

search for an overdue boat with eight men aboard was started today off the southern tip of Texas. A search plane was sent to look for the boat, which was last seen three times in the past three years.

Police said a bottle had been thrown through Davis' plate glass window in an apparent effort to burglarize the gun shop, which has been looted three times in the past three years.

King was described by police as a metal worker in West Chester, who in 1953, was sentenced to three to six years for a burglary in nearby Phoenixville. They said Coleman also had a previous criminal record.

Emmitsburg

MRS. RALPH LONG
Phone HI 7-2231
EMMITSBURG — The Lenten season began in St. Joseph's Catholic Church with ashes being distributed this morning after the 6 and 7:15 a.m. masses, at 2:30 in the afternoon and after the 7:30 Stations of the Cross in the evening. Daily mass during Lent will be at 6 and 7:15 a.m. unless otherwise announced. Stations will be held every Friday at 2 and 7:30 p.m.

Ralph Long and Walter Crouse both observed their birthday anniversaries Monday. Mrs. Edward Rosensteel quietly observed her birthday on Valentine's Day. Mr. and Mrs. Henry Cool celebrated their wedding anniversary today.

Mr. and Mrs. Maurice Fitz Jr. and family, Maine, are visiting their parents, Mr. and Mrs. Maurice Fitz Sr. Following his funeral, he will be transferred to Alabama.

The films will be shown in St. Joseph's High School auditorium and will be open to the public. Laurence Orendorf is chairman of the committee, assisted by Jenny Wivell, Theresa Weedon and Jeanne Crismer. Mrs. George Arnold is acting as adult advisor of the group.

JFK APPLAUDS RED SPACE SHOT

WASHINGTON (AP)—President Kennedy has congratulated Soviet Premier Khrushchev on the Russians' "impressive scientific achievement" in launching a space vehicle bound for Venus.

In a message to the Kremlin leader, Kennedy called the development "another chapter in man's exploration of the universe."

The White House said the President's message was sent to Khrushchev Monday night through the State Department.

"I wish to extend my congratulations and those of the American people for the impressive scientific achievement represented by the launching of your space vehicle to Venus."

"We shall watch its progress with interest and we wish you success in another chapter in man's exploration of the universe."

VANCOUVER, B.C. (AP)—A search for an overdue boat with eight men aboard was started today off the southern tip of Texas. A search plane was sent to look for the boat, which was last seen three times in the past three years.

Royal Canadian Air Force officials said the boat, Green Valley, is overdue on a 15-mile trip between Texada Island and Pender Harbor.

The Green Valley was used to carry men to and from logging camps along the British Columbia coast.

Admiral Turner, Strategist, Dies

MONTEREY, Calif. (AP)—Adm. Richmond Kelley Turner, 75, brilliant strategist who landed American soldiers for some of the roughest fighting in the Pacific during World War II, is dead.

The retired admiral died Sunday of a heart attack. He had lived here since 1947 when he retired from the Navy.

Turner commanded U.S. amphibious forces in the Pacific during World War II. That assignment capped a varied career that included many honors.

Retired Adm. Raymond Spruance once characterized Turner as "a first-class fighting man, one of the most brilliant brains in the Navy along with remarkable abilities as a planner and fighter-executive."

Turner, whose wife died Jan. 3, was stricken during lunch at the home of a friend, retired Army Col. Warren J. Clear.

York Springs

MRS. F. E. COULSON
YORK SPRINGS—The Latimore WCTU will meet Thursday at 7:30 p.m. at the home of Rev. and Mrs. Donald Roemer, York Springs.

Paul Warrick, pastor of the Lower Bermudian Church, has announced that Lenten services will be held this evening with a council meeting following the service. Services will be held Wednesday night, February 22, at Chestnut Grove Lutheran Church.

The Willing Workers Class will meet in the social room Thursday at 7:30 p.m.

The 75th anniversary of World's Day of Prayer will be held at 7:30 p.m. in the Kraltown Elementary School Friday. The churches participating are Red Run, Red Mount, Olivet United Church of Christ, Lower Bermudian Lutheran and Lower Bermudian Brethren.

The York Springs Homemakers will meet Thursday evening at 7:30 o'clock. The subject will be "Meal Planning."

The York Springs Methodist Church will hold Lenten services for the charge at York Springs this evening at 7:30 o'clock.

Midweek Lenten services will be held each Wednesday at 7:30 p.m. in the York Springs Lutheran Church. Chaplain Gomer Rees of Blue Ridge Summit will be the supply pastor. The sermon topic this evening is "Forty Days with a Purpose."

The York Springs Fire Company will hold a ham supper Saturday night. Serving will be family style beginning at 4 p.m. Adult tickets are \$1.25 and children 65 cents.

The following officers were elected at a York Springs Fire Company meeting: President, Clair Bowers; vice president, Robert Row; second vice president, Lloyd Rupp Jr.; assistant secretary, Robert Megonnell; treasurer, Mark Hinkle; fire chief, Harry Mumper; assistants, Paul Wolf and Harry Guise.

Russell Kennedy returned to his home Thursday from the Polyclinic Hospital, Harrisburg, where he had been a patient for observation and treatment.

Frank McCauslin remains a patient in the Polyclinic Hospital,

SYMPTOMS ARE ONLY COMMON THING IN COLD

By THE ASSOCIATED PRESS
Common colds, uncommon climates and a strange fever in Singapore turn the focus on health:

WHAT'S IN A COLD
The trouble with the common cold is that the only things common about it are the symptoms. Any of a handful of known viruses and bacteria can cause the common misery of the common cold.

But no cause—either bacteria or virus—has been identified for at least 80 per cent of the common sporadic diseases seen in adults, says Dr. Alfred S. Evans of the University of Wisconsin.

Bacteria are responsible for only some 5 to 7 per cent of respiratory diseases, he says in an article entitled, "Sneezes, Wheezes and Other Diseases." Flu viruses and adenoviruses, prevalent among military recruits, account for less than 13 per cent of such illness in adults.

WEATHER TO LIVE
Your health, good or bad, may be made by the weather—in spite of coats, radiators, air-conditioning, medicine and all.

Researchers find strange correlations between climate and disease.

Colds reach a peak in winter, and in stormy climates with changing temperatures and pressures.

Digestive disorders are most frequent in hot climates and in hot summer months.

More diabetes is found in winter—and in winter insulin requirements increase.

Skin infections increase in summer, and in high temperature and humidity. Skin cancer is most prevalent in the sunny south.

Multiple sclerosis occurs most often in cool climates and in spring and fall weather changes.

FEVER IN SINGAPORE
An epidemic of fever broke out in Singapore last summer, striking all races and ages.

Fever ran as high as 104 degrees. Immediate symptoms were headache, severe body aches and vomiting. Patients usually recovered in a week.

But the disease had another strange effect: Patients broke out in patches of bleeding rash. Small blood vessels became more fragile, and there was a decrease in the blood's ability to clot.

China Refuses To Negotiate Border

NEW DELHI (AP)—Prime Minister Nehru reported today that Communist China has refused to negotiate with India on questions concerning the northern borders of Sikkim and Bhutan and of the Pakistan-occupied sector of Kashmir.

Nehru said Peiping had refused to recognize India's "legitimate responsibility" for the boundaries of the two protectorate kingdoms in the Himalayas or for all of Kashmir State, which both India and Pakistan claim.

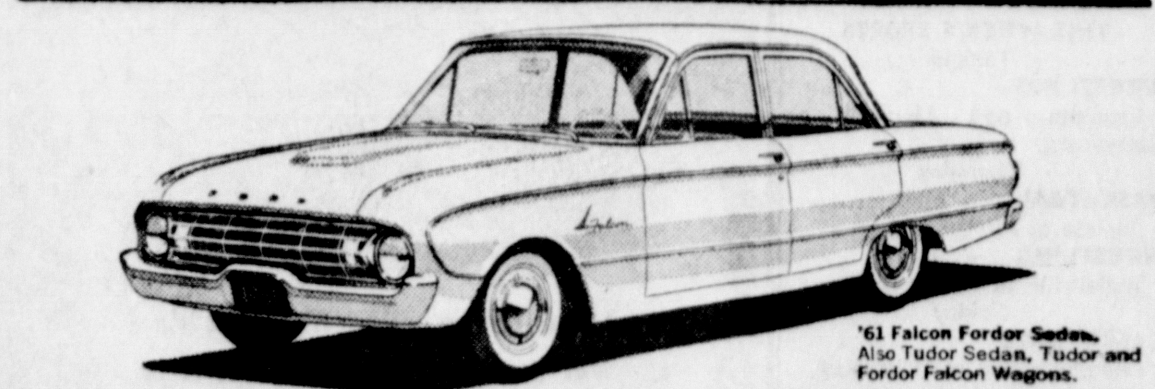

Indian and Chinese officials have been going over documents on two disputed areas along the Indian-Chinese border.

United States Fires 34 Satellites In 40 Months, Reds Launch 11 Says Reporter

EDITOR'S NOTE — The conquest of space is an adventure for all mankind, but the space age was born in the shadow of the military, and it still is sharply affected by the great cold war rivalry. In this second of three articles, American and Soviet achievements are compared.

By ALTON BLAKESLEE
Associated Press Science Writer
CAPE CANAVERAL, Fla. (AP) — In 40 months, 45 satellites have soared up successfully from the United States and Soviet Russia. The Soviets put up 11, this country 34.

The Soviet Union leads in spectacular, impressive firsts and in weights. In quick succession this month, she put up a record-breaking seven-ton Sputnik, then capped this with a huge satellite which went into orbit, and then launched from space a 1,400-pound probe aimed at perhaps hitting or going into orbit around Venus.

The reach toward Venus opened a new, fourth phase of Soviet space age efforts. Until now, the Soviet Union has been bunched her shots in triple plays, each concerned with a different aspect or region of space.

3 ORBIT THE EARTH

Her first three Sputniks orbited the earth.

Then in 1959, she reached for the moon, hitting it, photographing its back side, and sending one probe past the moon to become the first little man-made planet of the sun. The United States later sent two probes into orbit around the sun, one of them radioing back space findings over a record distance of 22½ million miles.

Abruptly, the Soviets dropped the moon, and last year sent three spacechips, weighing up to five tons, orbiting near the earth.

In a brilliant feat, the Soviets brought back part of their second spacechip containing two dogs. The time seemed near to launch a man, but in December the capsule of the third ship failed to obey command signals and burned up. Two dogs, other animals, insect and plant life all perished.

"CURIOUSLY SILENT"

It was a rare if not the first official Soviet admission of any mishap in her space shoots.

Last weekend, the Soviets opened the interplanetary phase, with the new feat of launching a Venus probe from space itself.

She had remained curiously silent about the seven-ton Sputnik, but then one Soviet space official said it had been intended mainly to learn whether such a heavy satellite could be put and kept into a precise orbit.

The Sputnik launching the Venus messenger might have been another seven-ton affair.

The Soviets have behaved like eager explorers pioneering into an unknown continent—not waiting to settle and cultivate one region before roaring out to make first contact with another.

Her fifth venture could be man into space.

GET EARLY START

Some Western experts believe the Soviets embarked in 1956 or earlier on a plan to send man into space. This would be at least two years ahead of the start of the U.S. program.

Sputnik II, carrying the dog Laika in November 1957, is taken as one sign of such intent.

Limited in weight by smaller rockets, but using ingenious miniaturized equipment, the American program has been more diversified, and more broadly based.

The United States clearly leads, most experts say, in gleaming new scientific knowledge from and about space, and in cultivating space for valuable practical applications.

KEEN WEATHER EYES

Tiros satellites photographing clouds and measuring earth temperatures took the first step toward keen weather eyes in space. Samos II, just put up by the Air Force, is using cameras which could serve as military scouts.

Echo, the shiny balloon, and Courier satellites are preparing the way for a space network to relay civilian telephone calls, TV and radio programs, and military commands.

Transit satellites augur artificial stars supplying exquisitely accurate navigational fixes for ships and planes.

But even greater benefits could come from basic knowledge being learned about earth, air, space and sun.

U.S. satellites discovered the

Van Allen radiation belts.

U.S. satellites have explored more vigorously and keenly the earth's magnetic and gravitational fields, the great pulses of atomic particles hurled at the earth by gigantic explosions on the sun, the ionosphere, upper atmosphere, the pressure exerted by sunlight, the shape of the earth.

From such studies of the sun's effects on earth could come better understandings of what makes our weather, and perhaps one day to control it.

Knowledge is coming like fruit falling from a tree, says Dr. Robert Jastrow, chief of the theoretical division of the National Aeronautics and Space Administration.

The Soviets have published far fewer reports on their findings, he adds. Since their moon shots, they appear to have lost momentum in studying aspects of space near earth.

He feels the Soviets have attracted fewer scientists with original and imaginative ideas to their space program—perhaps because such scientists are more or less region of space.

NAME BURTON GOP FINANCER

CLEVELAND, Ohio (AP) — Courtney Burton says political parties must be healthy for democracy to operate, therefore the parties "have to be solvent, like any business."

This is a matter that concerns Burton more than a little bit. The 48-year-old Cleveland industrialist has been named chairman of the Republican party's national finance committee.

Burton, once an outstanding polo player and master of foxhounds at the Chagrin Valley Hunt, is no stranger to party finances. He has been vice chairman of the national finance committee for five years and for seven years has headed the Ohio Republican Finance Committee.

The size of GOP contributions in Ohio and the results for the Nov. 8 election, in which Ohio voters showed a preference for Republican Richard M. Nixon, are believed to have been factors in Burton's selection Tuesday.

Sen. Thurston B. Morton, Republican national chairman, named Burton to the post being vacated by John Clifford Folger of Washington, D. C., who resigned because of the pressing demands of private business.

Bill To Permit Tax Cuts Is Cleared

HARRISBURG (AP)—A change in the Pennsylvania Constitution to exempt the property of blind, paraplegic or double quadruple amputee war veterans from taxes was cleared Tuesday by the House Judiciary Committee.

The approval sent the measure to the floor for action by the full house.

The constitutional change could go on the ballot next fall if it passed both House and Senate this session. The identical proposal was passed by the 1959 legislature. Amendments to the constitution must be approved by two separate legislatures before they can be put before the voters.

Man Killed In Carlisle Mishap

CARLISLE, Pa. (AP)—William Richman Smith, 33, Greensboro, N. C., was killed Tuesday night when his truck rammed into a disabled tractor-trailer on Route 11, about 7½ miles west of here.

Earl V. Armfield, 50, High Point, N. J., who was riding with Smith, was admitted to Carlisle Hospital with a fractured nose and multiple cuts.

State policeman Paul A. Braggan said Smith's rig struck a disabled vehicle operated by Kenneth J. Fisher, 30, Pittston, N. J. He said the impact of the crash hurled Smith into the path of a truck driven by Oliver McDonnell, 60, Winchester, Va.

Says Hospital Costs Will Rise

GEARHART, Ore. (AP) — You can look for the cost of hospitalization to go up in the years ahead, says the director of the National Hospital Association.

Dr. Edwin L. Crosby told an Oregon hospital group convention that for the past five years hospital costs have gone up 5 per cent a year. This just reflects general trends and is likely to continue, he said.

Dr. Crosby said that in the past decade the cost of educating a child in school has gone up 200 per cent while cost of caring for a patient in a hospital has gone up 100 per cent.

desperately needed in other fields.

First in developing great booster rockets, the Soviet Union can lift up far heavier payloads, and can equip satellites with excellent guidance controls.

But mammoth boosters are being developed here, too. And the U.S. space program calls for a variety of exciting feats in this year and decade.

TOWNSHIP OUT OF DEBT AFTER LAST PAYMENT

Huntington Twp. cleared itself of a \$1,500 debt in 1960, according to the annual report filed today with Clerk of the Court Kenneth Johns by auditors G. Vance Stitt, Joel R. Griest and Lloyd L. Lupp. The township now has no debt and went into 1961 with a cash balance of \$1,143 in the township fund and \$322 in the state fund.

Receipts were \$6,139 from taxes, \$3,838 from miscellaneous sources and \$15,315 from state aid. The county apportioned \$2,681 for the year.

Expenditures for general government were \$1,184, of which \$216 was for supervisors' attendance; \$582 for secretary's salary; \$219 for the tax collector; \$20 for the auditors and \$52 for office supplies. Protection to persons and property cost \$453.

Under highway expenses, snow removal cost the township \$301 and the state \$1,247; repair to tools and machinery \$353 for the township and \$636 for the state; road construction cost the state \$5,689; and repairs to roads cost the township \$5,539 and the state \$7,708.

OTHER EXPENDITURES

Miscellaneous expenditures were \$308, of which \$258 was for insurance and \$49 for supervisors' convention. The principal paid on the note was \$1,500 while the interest was \$75.

The tax statement showed the real estate taxable assessment was \$706,318 at eight mills, with a levy of \$5,744 and \$5,649 to be collected. Per capita taxes were \$62 at \$2, or \$1,724. There was \$4,937 collected on real estate and \$1,202 on per capita taxes, with \$953 delinquent on real estate and \$581 on per capita taxes.

The townships owns a power grader, a snowplow, one dump truck, one storage house. Six-tenths of a mile road, T590, was constructed during the year. It maintains 34.9 miles of earth and 12.28 miles of improved surface roads in the township. They maintain two concrete and 15 wooden bridges.

Raymond E. Miller is chairman of the board of supervisors for 1961. Other members are George W. Chronister, Parker Davis and D. Hospelhorn.

State Bank Assets Increased In 1960

HARRISBURG (AP)—Total assets in Pennsylvania banks increased by \$465,917,853 during the year 1960, the State Banking Department reported.

State Banking Secretary Robert L. Myers Jr. reported Tuesday that banks in the state had total assets of \$8,870,253,389 at the end of 1960.

Myers said savings accounts showed an increase of \$317,507,427 to \$4,005,384,780 during the year and loans increased by \$389,269,528, to \$4,394,952,917.

MITCHELL RESIGNS
WASHINGTON (AP)—President Kennedy says someone jointly agreeable to railroad management and labor will succeed James P. Mitchell as chairman of the commission studying railroad work rules.

Mitchell, secretary of labor in the Eisenhower administration, resigned Tuesday as chairman of the commission. He said his quest for the Republican nomination for governor New Jersey would cut into the time needed to serve in the commission post.

The POWER of FAITH

by Howard Brodie

Manifesting the Old and New Testament truth, THOU SHALT LOVE THY NEIGHBOR AS THYSELF, Brotherhood Week has vitalized the American concept of "one nation, under God, indivisible, with liberty and justice for all."

The National Conference of Christians and Jews, sponsors of the Week since '34, have promoted "mutual understanding among men of good will of all religious and ethnic groups without compromise of religious beliefs." Sparked by '61 Chairman Bob Hope, Brotherhood Week has advanced "good will as a pattern of American living" in schools, offices, workshops and communities.

DEATHS

LOS ANGELES (AP) — Arthur DeWitt Ripley, 66, professor of theater arts at UCLA and one-time motion picture writer, director and producer, died Monday of a lung infection. Ripley, who started his movie career as a cutting room employee for Kalem Pictures in New York, was born in New York.

COLUMBUS, Ohio (AP) — Dr. Emmanuel Poppen, 86, president of the American Lutheran Church from 1937 to 1950, died Monday. He was ordained a minister in 1895, served pastorates in Ohio and held various offices in the church. When the Joint Synod of Ohio merged with the Iowa and Buffalo synods to form the American Lutheran Church in 1930, he was elected third vice president and later first vice president and president. He was born in Dundee, Ont.

HOLLYWOOD (AP)—Wallis H. Clark, 78, veteran stage and screen actor, died Tuesday. Clark, who was born in England and came to the United States in 1920, made his last New York stage appearance in 1945-46 in "Life With Father."

WASHINGTON (AP) — David R. Trattner, 74, a vice president of Kay Jewelry Stores, Inc., which operates about 150 credit jewelry stores throughout the nation, died Monday, apparently of a heart attack. He also was president of an affiliated group of about 20 jewelry stores on the West Coast.

DEFIANCE, Ohio (AP) — Nobody gets in Rudy Camp's car when his two-year-old terrier like is inside. Nobody.

Camp learned this painfully while the car—dog inside—was on a service station hoist. The keys were inside and Camp couldn't get in the locked car. When he tried to pry open the ventilator window, his dog snarled. Camp finally had to call for his wife, who brought a spare set of keys.

COUDERSPORT FIRE IS FATAL TO SURVEYOR

COUDERSPORT, Pa. (AP) — A fire in a two-story brick building in the Coudersport business section has killed a Potter County surveyor. Firemen from four communities fought the blaze into the early morning hours today before bringing it under control.

Flames spread to the roof of an adjoining building but were quickly extinguished.

W. Shelby Jones was removed from the building Tuesday night but was dead on arrival at Potter County Memorial Hospital. He had an office and an apartment on the second floor.

\$50,000 LOSS

Fire companies from Coudersport, Port Allegany, Roulette and Shinglehouse fought the blaze for about six hours.

Coudersport Fire Chief Arthur Nelson said damage probably would exceed \$50,000.

The flames wrecked the offices of two weekly newspapers — The Coudersport Journal and the Oswayo Valley Mail. The Coudersport Producer's Credit Association, Lacker's Plumbing and Heating, the Public Health Association, two insurance offices and a dentist office also were destroyed.

Officials said the fire started in the basement but could not say immediately what caused it.

ORIOLES SIGN

BALTIMORE — First baseman Jim Gentile and newly acquired outfielder Earl Robinson returned their signed contracts today, announced Oriole President-General Manager Lee MacPhail. With 19 players currently in the fold, the Birds passed the midway point in signings, with 17 players yet to autograph their 1961 pacts.

O'Conedoneghaugh Booked; Bad Check

TAMPA, Fla. (AP) — A man booked into city jail gave his name as Patrick O'Conedoneghaugh.

He was charged with forging the name of "Patrick O'Day" on a check.

One officer remarked, "Heck, maybe he just couldn't get all of his name on the check."

FASNACHT DAY OPENS LENT FOR PA. DUTCH

LANCASTER, Pa. (AP) — The Pennsylvania Dutch have signaled the start of the Lenten season with their traditional Fastnacht Day observance.

Fastnacht Day was observed by the Pennsylvania Dutch Tuesday as they followed tradition by consuming hundreds of thousands of Fastnachts — square doughnuts without holes made of flour and fried in deep fat. Fastnacht is German for "fast night."

By old tradition the day before the start of Lent in the Dutchland is a time for all to go on a big eating spree preceding more temperate times.

In years past, virtually all of the Pennsylvania Dutch fasted from certain foods, mainly pastries, during the solemn season of Lent. Housewives, therefore, could not use their fats during the Lenten season. So they gathered up all the fat in the house and baked the square doughnuts, then they feasted.

But today, while the Pennsylvania Dutch still observe Fastnacht Day, some of them do not fast during Lent. Those who do not fast go along with the Fastnacht Day observance because of tradition.

Bakeries now produce most of the doughnuts and put powdered sugar on them, which wasn't done in previous years. The bakeries reported that their production this year totaled 326,000. One bakery reported making 15,000 dozen Tuesday. Church and civic groups made thousands more as fund-raising projects.

APPOINT YORK DENTIST

HARRISBURG (AP) — Dr. Rose S. Feld, York, was appointed by the State Health Department Tuesday as a public health dentist at an annual salary of \$8,580. The department said Dr. Feld will coordinate dental services in its nursing homes program.

LIMITED BUDGET

PIKEVILLE, Ky. (AP) — Suda Weddington got fast action when she appeared before city officials to complain the street in front of her house was dirty. They gave her a broom, explaining the street budget was limited.

HARRISBURG (AP) — Louis Roddis Jr. of Johnstown was unanimously confirmed by the Senate Tuesday as a member of the Pennsylvania Industrial Development Authority.

The Senate also approved Gov. Lawrence's appointment of Stanley H. Patterson of Mercer as the treasurer of Mercer County.

AEC OWES U. S. TREASURY FOR LOANED SILVER

By JOSEPH R. COYNE

WASHINGTON (AP)—Some of that paper money you're carrying around in your wallet may be backed by silver wire in an Atomic Energy Commission machine at Oak Ridge, Tenn.

The AEC is still using some of the silver it borrowed from the Treasury Department during World War II when copper wire was in short supply.

But there's no danger the Treasury will renege on any of its silver certificates. Under the original loan agreement, dollars can be issued against the AEC silver stock, although it may be part of an electromagnetic separator.

REVEALED IN HEARINGS

Use of the silver by the AEC 16 years after World War II ended came to light during research by aides to Sen. Jacob K. Javits, R-N.Y., on the international balance of payments problem.

Javits, a member of the Senate Banking Committee, today made public a letter from the AEC explaining its use of Treasury silver.

During World War II, the Manhattan Engineering District—war-time predecessor to the AEC and developer of the atomic bomb—borrowed from the Treasury 427,814,149 ounces of silver valued at over \$520 million.

RETURNED SOME SILVER

Because of a copper shortage, the silver was used in bars and coils installed in the electromagnetic separations plant at Oak Ridge.

Since the end of World War II the AEC has returned 363,062,832 ounces of silver to the Treasury but retains 64,751,316 ounces valued at \$59.6 million.

"This silver on hand is still in coils, some of which are being used in the stable isotope program, with the remainder being held for future use or return to the Treasury," the AEC said in its letter to Javits.

SPLIT, Yugoslavia (AP)—President Tito and his wife sailed today on the presidential yacht for West and North Africa. Before returning in April they will visit Ghana, Togo, Morocco, Liberia, Tunisia and the United Arab Republic.

TOKYO (AP) — Some 4,000 leftists held an orderly demonstration in front of the Defense Ministry Tuesday opposing construction of a Japanese missile firing range on Nijima Island off Tokyo Bay.

WARSAW, Poland (AP)—Leaders of the Communist-inspired Catholic laymen's organization Pax have decided to fire half their 1,000 employees, reliable sources reported Tuesday. The reason is that the government is discontinuing sweeping tax concessions given Pax's private commercial and industrial enterprises.

LISBON, Portugal (AP) — The liner Vera Cruz arrived from Brazil today with 108 Portuguese passengers of the hijacked cruise ship Santa Maria.

Immobile Autos Used In Safe Driver Training Program At Souderton Hi

The largest fleet of immobile automobiles in the state of Pennsylvania is all set for student driving at Souderton Area Joint High School 30 miles north of Philadelphia.

The "autos" are "drivetrainer" cars, the automotive counterpart of the famous Link trainer used to instruct student flyers.

Souderton High School has just completed a 12-car installation to prove behind-the-wheel training for students right in the classroom.

Because the drivetrainer system cuts in half the number of hours needed for on-the-road training, E. M. Crouthamel, supervising principal, expects to more than double the number of student drivers trained with the new system. Previously training 80 drivers a year, he hopes to boost the number to 210.

CITES ECONOMY

Mr. Crouthamel also cited the economy of the drivetrainer system, pointing out that the school will train many more students and at substantially lower costs per student. Through this savings, the school will pay off the \$16,000 installation in less than three years.

In adopting the drivetrainer system Souderton High becomes one of the nation's most modern and fully equipped schools for driver education and the largest installation for this type of training in the state. Other Pennsylvania schools using drivetrainer equipment, but with smaller installations, are at Pottstown and Meadville.

Drivetrainer equipment consists of small, wheelless cars equipped with all of the controls used in standard automobiles. Besides steering wheel, standard and automatic shift units, brake pedals and accelerator, the cars have a speedometer, left-right turn indicator, ignition key and starter switch.

COMPLEX ELECTRONICS

Under its hood, the drivetrainer car has a complex package of electromechanical devices designed to duplicate realistically the operation of the controls on actual automobiles.

In learning to drive, students are taught to operate the drivetrainer cars to meet road and traffic situations shown on a large motion picture screen at the front of the classroom. Their responses to a wide range of motoring problems as presented to them in a series of 21 movies are recorded on a master control unit at the rear of the room.

The car provides actual driving "feel." Simulating the hum of a car engine, the electric motor whirs as the student turns the ignition key, and the more he steps on the gas pedal the louder it becomes. As in standard cars, there is a clutch "friction point" and brake pedal "feel" to add realism.

12 AT A TIME

With the drivetrainer system, one-half of the required behind-the-wheel training can be done indoors, meeting state requirements. At Souderton, the driving instructor will be able to give such training to 12 students simultaneously.

A major advantage of the system, in addition to its greater capacity and economy, Mr. Crouthamel pointed out, is that it enables totally inexperienced youths, without risk to themselves or

others, to be trained in good driving attitudes, judgment and habits and provides a method of drilling students to react automatically and correctly in meeting highway emergencies.

The modern device is now being used in 120 high schools in 25 states. It is also providing a useful tool for utility firms and other companies with large fleets of vehicles for refresher courses for experienced drivers.

Elderly Lady Dies From Car Injuries

WILLIAMSPORT, Pa. (AP) — A 70-year-old West Renovo woman died in the hospital here Monday of injuries suffered in a two-car collision on Route 144, about one mile north of Renovo, on Feb. 6.

State police reported at the time of the accident that the victim, Mrs. Lena Wertz, was injured in a collision of cars driven by her son, Joseph Wertz, 30, Renovo, and Marvin Wallace, 30, of Hyde.

The troopers said the two cars crashed on a grade which was lined by high snowbanks.

Southeast Area Is Blacked Out On TV

MIAMI, Fla. (AP) — Hot and cold layers of air converged on microwave equipment between Orlando and West Palm Beach Monday night, blacking out all television network programs in southeast Florida and disrupting telephone and teletype communications.

Southern Bell Telephone & Telegraph Co. officials said there was no wind in the area and the air refracted signals, affecting all communications channels.

The trouble showed up at 7:35 p.m. on some television stations in the Miami area and did not clear up until shortly before midnight.

3 Networks Plan Press Coverage

NEW YORK (AP) — All three major television networks plan live coverage of President Kennedy's news conference tonight.

The Columbia Broadcasting System, which earlier had said it would broadcast the 7 p.m. EST conference at a later hour, said Tuesday night it had changed its mind.

The network cited "overriding reason" for the change—the situation in the Congo following the death of ex-Premier Lumumba, and the announcement that Kennedy will make a major statement on the nation's economy.

The National and American broadcasting companies announced last week they would carry the half-hour conference on a live basis.

The news conference also will be carried live on NBC and ABC radio, and rebroadcast by the CBS radio network at 8:15 p.m.

LONDON (AP) — Labor members of Parliament harassed Prime Minister Macmillan's Conservative government by keeping the House of Commons sitting throughout Monday night.

For 14½ hours the Laborites waged a campaign of censure and filibuster growing out of their intense opposition to the government's plans for higher charges for national health service.

SWORD EXPERT CREDITS WORK TO STAGE JOBS

By BERNARD GAVZER
NEW YORK (AP) — Millions have seen his work and critics have, but actor Rod Colbin finds that being an expert with swords isn't all it's cut out to be.

Colbin has staged swordplay on Broadway and in television. The most demanding recent assignment was 23 separate duels in the two-part CBS presentation of "The Three Musketeers."

Critics wrote the show off as a disappointment, but they went for the duels with great gusto, commenting generally that the fencing had grace, daring, movement and surprises.

SOME RESERVATIONS

This suits Colbin fine—but he has some reservations. "I want to use my capabilities as an actor and as a fencing master," he says, "but when I appear before a producer for a reading, I can see that in the back of his mind he is saying to himself, 'Colbin? He's a fencer. Why should he want to read?'"

As an actor, Colbin's experience ranges from the crazy servant in "The Taming of the Shrew," to Hubert, the death-dealing henchman of King John, to Carl Whipple, the young retired grain merchant in the CBS soap opera, "As the World Turns."

He credits his career as an actor with an important part in the success of his fencing scenes.

"SPY NEXT DOOR"

"This is because I approach the duel scene—the choreography of the duel—in the same way as I would approach the scene as an actor. Each duel has a beginning, a middle and end. I try to heighten movements and also keep them from swinging all the time. The absence of blade clashes can be quite effective. The same is true in speech. It would be boring to have an actor talking all the time."

Recommended tonight: Bob Hope Sports Awards Show (10-11 p.m., EST, NBC) "Spy Next Door," Circle Theater, (10-11 p.m. EST, CBS).

VETS' NURSE QUILTS TO WED

PHILADELPHIA (AP)—Ruth N. Kelly, chief nurse at the University of Pennsylvania School of Veterinary Medicine Hospital, left her job today to get married.

Miss Kelly Saturday will marry Andrew Carson, a research chemist. The couple will live in Southampton, Bucks County.

Miss Kelly, a native of Red Lion, York County, has treated mainly dogs and cats. But she has had some unusual experiences.

She had to help quiet a boa constrictor for a night club act, extract teeth from a chimpanzee, and operate on a thoroughbred race horse.

"I love animals," she said.

Biddle Is Given Senate Ovation

HARRISBURG (AP)—Maj. Gen. Anthony J. Drexel Biddle, expected to be the next U. S. ambassador to Spain, was accorded a standing ovation Tuesday by Republicans and Democrats alike in the Senate.

Biddle, a Democrat and son of two of Philadelphia's most prominent families, was invited to address the body by Lt. Gov. John Morgan Davis.

Sen. M. Harvey Taylor, R-Dauphin, consistent foe of most Democrats, headed the list of Republicans heaping praise on the State adjutant general.

Council On Aging Set Up In State

HARRISBURG (AP) — A new statewide organization, the Pennsylvania Council on Aging, has been set up to consider the problems of elder citizens.

The council, which will function as a unit of the Pennsylvania Citizens Association for Health and Welfare, was formed Tuesday. Frank C. Foote, Harrisburg, and Mrs. George L. West, Pittsburgh, were named co-chairmen of the new group.

Reach Deadline On Old Permits

HARRISBURG (AP)—Today is the last day for Pennsylvania motorists to get their new drivers' licenses and auto safety inspection stickers.

The State Revenue Department reminded motorists that the deadline for getting the two-year drivers' licenses and the auto inspections is midnight tonight.

The original deadline was Jan. 31 but the department issued a 15-day extension because of severe winter conditions.

DELAY COOGAN HEARING

MALIBU, Calif. (AP) — Actor Jack Coogan's preliminary hearing on a narcotics charge will be delayed until March 1 because another case took precedence—a case of the mumps.

The hearing which started last week was postponed when it was reported that Coogan had the mumps.

Plan Steps To Prevent Bid Chiseling On State Bonds

By RICHARD L. GRAVES

HARRISBURG (AP) — A high state official said today the Lawrence administration is taking the steps to prevent the possibility of bid chiseling on state authority bond issues.

"We want to head off any possibility of collusion, which is always a danger when you have a small number of bidders," said Dr. David H. Kurtzman, secretary of administration.

Kurtzman said state fiscal officers are studying the prospects of dividing up future authority bond issues in order to create a more competition in bidding.

"We are looking into it to see if it has possibilities," said Kurtzman.

BIDS ON ENTIRE ISSUE

Presently authority bonds are sold in issues of \$10 million or more. Bids are accepted only on the entire issue. Since the first state authority bonds were sold in 1949 only two financial companies—representing bond underwriting

syndicates—have purchased the issue.

Kurtzman said a division of the bond issue in order to attract more bidders previously had been ruled out because the bonds are sold for terms ranging from one to 30 years, usually.

He said one possibility on future authority bond bids could be to divide the issues into "packages" of \$500,000, covering the entire term of the series.

RECENT PRECEDENT

Consequently, on a \$10 million issue there would be 20 separate bids, whereas under the present system there would be one bid awarded for the entire issue.

Kurtzman cited a recent precedent he said indicated there could be substantial long-range savings by increasing competition in the bond bidding.

The case involved bids taken on last Oct. 19 on \$50 million in state tax anticipation notes. The bids for such issues used to be taken in the same manner as bond bids presently are taken. The notes are short-term issues used to finance day-to-day government operations pending tax revenue.

SAVED \$533,000

Last October the issue was split up with parts of the issue going to four banking firms. An estimated \$533,000 saving in lower rates resulted, the administration said, because of lower rates. Bids as low as \$100,000 were accepted.

The only two organizations to ever win a bid for purchase of state authority bonds—General State Authority; State Public School Building Authority, and Highway and Bridge Authority—have been Halsey Stuart & Co., New York, and Drexel & Co., of Philadelphia.

AVAILABLE TO PUBLIC

Between 1949 and the present each firm has purchased exactly \$255 million each in highway and bridge or GSA bonds.

State School Building Authority bonds used to be purchased only by state government retirement funds, but last year were made available to the public. A total of \$61,882,000 was purchased by Halsey Stuart and \$21,300,000 by Drexel, the PSBA reported.

Last week Gov. Lawrence signed into law new legislation authorizing sale of another \$300 million in highway and bridge bonds at the rate of \$50 million a year. The next authority bond bidding will be March 14.

Favor Student Loans Supported By Taxes

EASTON, Pa. (AP)—State Sen. Jo Hays, D-Centre, says he favors scholarship and loan programs supported by taxes to help more students enter college.

Hays, a member of Gov. Lawrence's Committee on Education, told a Lafayette College conference Tuesday that the scholarships should be provided on the basis of need coupled with high school records.

Members of the conference said financial aid that is too small hinders prospective college students. Small grants "result in frustrated students wasting their hours in a deadening struggle to meet expenses rather than fulfilling their potentialities," said one of the members.

Kite Causes Shock And Short Circuit

SACRAMENTO, Calif. (AP) — Steve Covington, 19, updated Ben Franklin's kite flying adventures with startling results Monday.

Steve was using crocheting yarn with metallic threads for string when the wind swung his kite over a power line carrying 12,000 volts. He was only slightly jarred by the resulting shock. But the short-circuit cut off power to 3,000 Orangevale area homes for an hour and temporarily knocked out a substation.

GENERAL GAVIN GETS PARIS POST

WASHINGTON (AP) — Retired Lt. Gen. James M. Gavin, outspoken former Army combat paratrooper, has been nominated as U.S. ambassador to France.

Gavin's selection, which had been disclosed earlier, was one of a long string of appointments announced Monday by President Kennedy.

Gavin, 53, resigned from the Army in 1953 with the allegation that economy-minded Pentagon officials had held back necessary missile advances. He was then chief of the Army research and development program.

Gavin gained a reputation as a "jumping general" with four combat forays in World War II as leader of the 82nd Airborne Division. He was made a major general at the age of 37.

Upon retirement from the Army Gavin joined Arthur D. Little, Inc., of Cambridge, Mass., as a vice president. He became president of the firm last March.

Charge Robber With Five Informations

NEW CASTLE, Pa. (AP) — Five charges have been filed against an accused robber who has admitted shooting and seriously wounding a state trooper who stopped him for speeding.

Trooper Leonard Strapie, 30, of the New Castle Barracks, has shown some improvement in New Castle Hospital but remains in serious condition.

Charges were filed Tuesday against Thomas Ferriman, 23, of Chippewa Lake, Ohio, who admitted the shooting, and his companion, Max S. Parson, 20, of Tampa, Fla. Strapie was shot Monday on Route 422 near New Castle.

The two, who were wanted at Tampa for armed robbery, were charged with felonious shooting, aggravated assault and battery, conspiracy, assault with intent to kill and violation of the uniform firearms act.

They were captured at a roadblock about two hours after the shooting in a stolen station wagon also carrying their wives and children.

EXCHANGE CLUB GOOFS

LYNN, Mass. (AP) — The Exchange Club, a group of businessmen, and Police Chief John P. Fournier went all out in setting up a luncheon honoring Patrolman George F. Healey as Lynn's policeman-of-the-year.

But the honored guest didn't show up. Reached long after the luncheon was over, Healey explained, "I would have been delighted to go if I'd been invited."

BRUSSELS (AP) — Belgium's Senate Monday night gave final passage by a 97-63 vote to the austerity bill that sparked last month's general strike.

The measure, calling for higher taxes and curtailed social services, needs only to be signed by King Baudouin and published in the Official Journal to become law.

Jill-Of-All-Trades Is Now Replacing Former Handyman

By HAL BOYLE

NEW YORK (AP) — Whatever happened to the jack-of-all-trades? In our pioneer past practically every frontier settler had to battle the wilderness almost single-handed. He had to be a man of many talents to survive.

But the tradition of the jack-of-all-trades endured and was kept alive by a new fellow on the scene—the general handy man.

Every community had at least one, and usually several. The handy man wasn't exactly looked up to by his neighbors. He was characteristically a rugged individualist who didn't like the idea of settling down to one job or one boss—or even one wife.

"COLORFUL" CHARACTER
He was a colorful character who prized his own freedom, worked only when he wanted to, and often was strongly addicted to chawin' terbaccer and bottled grain.

But whenever he dropped by sober and knocked on the back door, the general handy man was welcome in most households. They needed his skills. For a dollar or so, a meal or two, and maybe an old coat or pair of pants, he would cut the lawn, carry out the ashes, beat the rugs, fix a leaky roof or mend a drain pipe.

Whatever chore had to be done, he could find a way to do it. And he had one unbeatable virtue—it didn't cost much to hire him.

IMPOSSIBLE TO FIND
That old-fashioned type of handy man is almost impossible to find nowadays.

The new type of handy man is also difficult to find now—and he is a completely different kind of character. He is usually married, industrious, busy as a bee—and almost as businesslike as a banker. In fact he is a one-man industry.

The trouble is that when you want him in a hurry, he's often too busy.

An experienced general handy man can earn from \$150 to \$200 a week or more in some areas—and does.

His high cost and unavailability when needed in an emergency has resulted in the rise of a completely new jack-of-all-trades—the suburban housewife.

Necessity has made her a jill-of-all-trades.

In America's burgeoning suburbs today there are thousands of housewives who can outdo the pioneer mothers of yore in many ways.

They don't make soap or help fight off the Indians.

But many of them can handle minor plumbing jobs, put up wallpaper, paint a house, fix a broken vacuum cleaner, rewire a floor lamp—and do 1,001 other things necessary to keep a home in order.

Smart husbands—encourage these new jills-of-all-trades to learn as many skills as possible. And for a very good reason.

TOKYO (AP)—Prime Minister Hayato Ikeda was handed a personal letter from President Kennedy today and an autographed copy of the President's book "Profiles in Courage." They were delivered by Prof. Gunji Hosono, who attended Kennedy's inauguration as a guest.

TOKYO (AP) — The Panchen Lama, the Peiping-appointed puppet ruler of Tibet, is back in Lhasa after a prolonged tour of Communist China, the new China News Agency reported today.

From Parris Island, South Carolina, to the Pacific. It's a "3-minute pass" by Independent telephone.

The Boot's Best Friend

To 5,000 Marine recruits at the Corps' famed Parris Island "Boot camp," Saturday night could be the loneliest night of the week—but for that phone call home. Here's how Independent telephone companies make it possible.

Take the case of a 17-year-old at Parris Island. He could be 2,200 miles from his home in Burns, Oregon. Yet the telephone company which links him to his family is the same at both ends of the connection.

That company is the independently owned and managed United Utilities. Its nearly half a million telephones in 450 communities of 15 states cut a path straight across the country.

In this way, United Utilities is symbolic of all 3,200 Independents. These companies bring the irreplaceable convenience of the telephone to over 11 million families from Florida to Alaska.

PRESIDENT IS EXPECTED TO SPUR SPENDING

By MARVIN L. ARROWSMITH
WASHINGTON (AP) — President Kennedy is reported planning to announce tonight a speedup in spending of some federal funds in a fresh effort to spur the lagging economy and reduce unemployment.

Informed officials said they understood the President intends to make such an announcement at his news conference scheduled for 7 p.m. EST. The conference will be broadcast live on nationwide television and radio.

On the international front, Kennedy faces questioning about his views on the crises in the Congo and in the United Nations resulting from the assassination of deposed Congo Premier Patrice Lumumba. Heightening the tension are Soviet demands that the matter be dealt with on Soviet terms.

EXECUTIVE ORDER

The domestic antirecession measures Kennedy is said to have decided upon would not require action by Congress.

There was no immediate word regarding details, but the Kenne-

dy plans are reported to call for issuing new administrative orders to a few federal agencies for spending money faster than planned on some government programs.

Indications are that such speedier spending would not be on any massive scale. The idea is to pump some additional money into the economy, pending congressional consideration of the Kennedy legislative program, aimed at business recovery, easing of unemployment hardship and reduction of joblessness.

Administration officials and Democratic congressional leaders clearly are becoming increasingly concerned about the recession.

Both Secretary of Labor Arthur J. Goldberg and House Speaker Sam Rayburn have indicated that mounting concern starts at the top, with Kennedy. The Cabinet officer and the speaker have told reporters that the President will have something to say about the situation at his meeting with newsmen.

BIRMINGHAM, Ala. (AP) — Like a lot of other people, 8-year-old Becky Givens got the Valentine's Day spirit.

As a result, her mother's note to the milkman, decorated with an arrow-pierced heart, read:

"2 half gallons, 2 quarts chocolate, 1 orange, 1 love you."

U.S. Defends

(Continued From Page 1)

The Soviets seized on the assassination of former Congo Premier Patrice Lumumba to step up their campaign, launched last September by Soviet Premier Khrushchev in his table-thumping appearance before the United Nations, to revamp that organization in a Moscow mold.

The strongly-worded Soviet resolution accused Hammarskjold of being "an accomplice and organizer" of Lumumba's slaying while in the hands of his political enemies. Earlier the Soviets declared they would have no more dealings with the secretary-general.

ALLIES ACCUSE REDS

The United States immediately pledged support to Hammarskjold. Britain and Italy charged the Soviets with trying to exploit Lumumba's death to install a Soviet-subversive regime in the Congo.

Indian spokesmen also called for continuance of U.N. operations in the Congo as offering the only chance to prevent civil war that many feared would involve the major powers in another Korean-style conflagration.

The Soviet resolution also charged Belgium with prime responsibility for Lumumba's death

and called for sanctions against the Congo's former ruler.

WANT LEADERS JAILED

The resolution demanded the arrest of Katanga Province President Moise Tshombe, in whose province Lumumba was killed, and Maj. Gen. Joseph Mobutu, the army chief of President Joseph Kasavubu's regime, and the disarming of all troops and police under their control.

The Soviets also demanded the immediate disarmament and withdrawal from the Congo of all Belgian forces and all Belgian personnel.

Some Asian and African nations were reported favoring adoption of penalties against Belgium if that country failed to withdraw both its civilian and military personnel from the Congo.

Belgian Foreign Minister Pierre

Wigny in Brussels vehemently denied again that Belgium had anything to do with the arrest and death of the man they installed as head of the independent Congo government eight months ago.

Stevenson told the U.N. Correspondents Association the United States is still working for a constructive and workable solution of the Congo crisis, but he acknowledged the situation is grave.

Hammarskjold maintained a strict silence on the Soviet demands for the U.N. withdrawal from the Congo and his own dismissal.

WASHINGTON (AP)—President and Mrs. Kennedy attended a dinner Tuesday night at the home of columnist Joseph Alsop. The party was in honor of Alsop's fiancée, Mrs. William S. Patten.

BUFFALO IN 2ND PLACE

By THE ASSOCIATED PRESS

The Buffalo Bisons, making a belated bid for some of Springfield's scoring honors as well as a favorable place in the American Hockey League playoffs, have completed the climb to second place in the standings and have passed the 200-goal mark in scoring.

The Bisons moved a point ahead of the Cleveland Barons into second Tuesday night when they beat the Quebec Aces 5-3 for their seventh victory in the last eight games. And Billy Dea's final Bisons goal of the game gave Buf-

falo a total of 201 for 52 games. Springfield's Indians, 16 points out in front of the pack, have scored 257 in 54 games.

The Bisons were out in front all the way Tuesday night as Dick Gamble scored twice and Bob Courcy and Barry Cullen the other two. For Quebec Michel Harvey, Jean-Marie Cossette and Claude Labrosse were the goal getters. Only seven penalties were called in the game.

With five goals Tuesday night, the Bisons now have averaged 4.5 per game in the streak which carried them from fourth place to second.

Cleveland's faltering Barons have a chance, though a rather slim one, to regain second tonight when they play Springfield on the Indians' ice. Then Buffalo gets another crack at Quebec Thursday.
